About The Foundation

The Foundation for Florida Gateway College was founded in 1969 by a dedicated group of community volunteers who sought to raise private funds to support the College. Since inception, more than \$30,000,000 has been expended to support FGC and students.

The Foundation is a 501(c)(3), non-profit, charitable organization that exists solely to provide financial support for Florida Gateway College and the students it serves. Funds are raised to provide student scholarships, purchase equipment, and teaching resources, and to grant other, much-needed support.

Our Foundation staff works collectively to develop and reinforce relationships in the community to promote the mission and vision of the college.
