ASSOCIATE IN SCIENCE DEGREE IN NURSING
PM-RN BRIDGE

Florida Gateway College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the baccalaureate and associate degree. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, or call (404) 679-4500 for questions about the accreditation of Florida Gateway College. The Commission is to be contacted only if there is evidence that appears to support an institution's significant non-compliance with a requirement or standard.

The Florida Gateway College Associate in Science Degree in Nursing (ASDN) Program is approved on a continuing basis by the Florida Board of Nursing (1964), 4052 Bald Cypress Way, BIN C02, Tallahassee, FL 32399-3252, (850) 245-4444. The ASDN program is accredited through spring 2025, by the Accreditation Commission for Education in Nursing, Inc. (1997), 3343 Peachtree Rd NE, Suite 500, Atlanta, GA 30326, (404) 975-5000, **www.acenursing.org** The ASDN program is highly ranked in excellence as evidenced by the state board passage rate above state and national averages.

The nursing program was established in 1964. The program has grown to include the following components: Traditional Generic, Traditional LPN-RN Bridge, LPN-RN Fast-Track Bridge, and the Paramedic-RN Bridge (PM-RN).

The FGC nursing faculty believes in opportunities for upward mobility in education. The nursing faculty feels there are bodies of knowledge common to both the PM and RN programs and that a PM who is current in this knowledge does not need to experience repetition in learning. Therefore, it is possible for the accepted Paramedics to complete the core nursing courses of the Associate in Science Degree in Nursing PM-RN Bridge Program within approximately one year.

The experienced nursing faculty is well prepared both academically and clinically. The faculty is committed to providing a nursing curriculum that offers the student the opportunity to develop knowledge and skills necessary to promote better health care for all people in the community. Students receive individual guidance in a simulated lab along with small group supervision in clinical facilities.

Upon successful completion of the PM-RN Bridge track, the student receives an Associate in Science Degree in Nursing and is qualified to apply for State Board of Nursing NCLEX examination. If successful on this exam, the graduate becomes a registered nurse (RN).

FGC graduates are widely recruited and consistently demonstrate a strong clinical competence. Graduates of the program are qualified to enter a variety of careers such as staff nurses in acute care settings, home health agencies or long term care facilities. Individuals with both paramedic and RN licensure may also serve on Medevac helicopters. Many of the area hospitals are predominately staffed by these graduates.

Advancement in nursing education is encouraged through referral to RN-BSN programs. FGC graduates have demonstrated consistent success with advancement through these programs.

FGC will adhere to all applicable federal, state, and local laws, regulations and guidelines with respect to providing reasonable accommodations as required to afford equal educational opportunity. The Office of Disabled Student Services can provide further information and assistance at (386) 754-4393. It is the student's responsibility to register with Disabled Student Services and to contact the faculty member in a timely manner to arrange for appropriate accommodations. Accommodations will be provided for standardized testing (i.e. CPT, RNET) when requested in a timely manner.

FGC does not discriminate in its employment practices, admission and treatment of students on the basis of race, color, religion, nation origin, sex, age, disability, marital status or any other legally protected status in accordance with the law. The equity officer is Sharon Best, Director of Human Resources, and may be reached at (386) 754-4313.

PM-RN BRIDGE: APPLICATION CHECKLIST

Completion of this checklist alone does not guarantee acceptance to the Associate Degree Nursing Program. Completion of the checklist is the applicant's responsibility. Students should complete the checklist in order.

_ 1. **A.** Complete a Florida Gateway College (FGC) Admission Application and return to the Admission Office by the deadline date as indicated on the academic calendar for spring 2018.

B. Have official high school transcript, GED, or documentation of Home Schooling forwarded to Admissions Office at FGC.

C. Provide scores for ACT or SAT standardized testing OR register for and take the PERT prior to advisement.

(For help with testing, check with the College-wide Learning Lab for test reviews (Building 017) (386-754-4333) or go to the college website at www.fgc.edu to Administrative Departments, click on Testing Department, scroll to Student Resources, and click on PERT. If deficiencies are found in Math, Reading, or Writing, the student will be required to complete college prep courses in the specific area before attempting most college courses. Test scores must be dated within two years of beginning coursework.)

_ 2. Complete required testing. The RNET (Nurse Entrance Exam) is required all of applicants. Scores must be submitted to the nursing department no later than August 16, 2018. The examination is available at the FGC Testing Center (see page 11).

_ 3. Submit the PM-RN Bridge supplemental application by August 16, 2018. **Do not submit entire application packet.** Attach the following with your supplemental application:

_____ Copy of Florida PM License
_____ Unofficial copy of transcripts from colleges attended including FGC

_____ 4. For pre-requisites taken at a **college** other than FGC during the fall term 2018, the student must provide unofficial transcripts to the Nursing Department and official transcripts to the Registrar's Office **immediately** following the end of fall term 2018 ***The transcripts must be received by first day of class (spring semester 2019). Students who fail to provide required documentation by the due date may have their acceptance rescinded.***

_____ 5. Proof of full-time work experience as a paramedic for at least six (6) months. Please submit this information in your application by providing employer/employers letter with dates and position worked (see pages 6 and 7).

Conditional letters of acceptance will be mailed by October 31, 2018.

Applicants are responsible for providing the above documentation if they wish to be considered for admission to the Nursing Program. **Make copies of all documentation for your personal records. Failure to present proper documentation will result in non-acceptance into the program.**

ADMISSION CRITERIA FOR THE PM-RN BRIDGE
Spring 2019

The following criteria will be required for all students admitted into the PM-RN Bridge Program:

- Complete all pre-requisite classes (see list on page 8 of this booklet) with a GPA of 2.80 and no grade below C.* All prerequisite courses must be completed by end of the fall semester of the year the student is applying to the program.
- Score of 75 or higher on the RNET. Scores must be submitted to the nursing department no later than August 16, 2018.
- Current Florida Paramedic (PM) license.
- Proof of full-time work experience as a paramedic for at least six (6) months.

SELECTION PROCESS: *This is a limited access program*. If there are more qualified students than there are available spaces, students will be ranked according to the ASDN Point System for Competitive Admission. (See pages 6 and 7).

Please Note: Meeting admission criteria does not guarantee acceptance into the program. Students are selected on a competitive basis. Students are allowed only two admissions to the ASDN program. Florida Gateway College reserves the right to make changes in admission criteria and program information as circumstances require in the continuing development of the program.

*** A student with a documented disability should see the Coordinator, Disability Services.**

GRADUATION INFORMATION

In order to graduate from an ASDN program, students must:

- Demonstrate knowledge of computers as set forth in the Associate in Science Degree General Education Requirements of the Catalog.
- Complete all ASDN coursework.
- Fulfill all additional requirements as outlined in the college catalog.

Florida Gateway College
Nursing and Health Sciences
PM-RN Bridge
Point System for Competitive Admission

Successfully completed a Nursing and Health Sciences Program
at Florida Gateway College Maximum 5 points_____

PCA with CNA certification	2
LPN	4
EMT	3
Paramedic	5
Phlebotomy	1

Paramedic or E.D. tech Work Experience Maximum 5 points _____
(EMT work experience will not count for points in this area).

48 or more months	5
36-47 months	4
24-35 months	3
12-23 months	2
6-11 months	1

County of residence Maximum 3 points_____

Residents of the service areas: Columbia, Union, Baker, Dixie, or Gilchrist County_____3 points
Residents of Alachua, Bradford, Hamilton, or Suwannee County_____1 point

Previously (within the last 3 years) qualified applicant to
Florida Gateway College PM-RN Program 1 point_____

***Registered Nurse Entrance Exam (RNET)** Maximum 5 points _____

96-100	5
91-95	4
86-90	3
81-85	2
75-80	1

*** Students must score 75 or above to be eligible for admission to the program.**

The following points are for science courses, regardless of whether they are taken at Florida Gateway College or another accredited institution.

Points on grades on First attempt: A=5 points, B=4 points, C= 3 points,
Points for grades on Second Attempt: A=3 points, B=2 points, C= 1 point
NO points will be given for subsequent attempts.

Pre-requisite courses Maximum 5 points _____

Course	Grade Earned	Points
BSC 2085 Anatomy and Physiology I		(max. 5 pts)

Maximum 10 points _____

Course	Grade Earned	Points
BSC 2086 Anatomy and Physiology II		(max 5 pts)
MCB 2010 Microbiology		(max 5 pts)

*** GPA in pre-requisite courses** Maximum 4 points_____

4.0-3.7	4
3.699-3.4	3
3.399-3.1	2
3.099-2.8	1

*** Students must have a GPA in pre-requisite courses of 2.8 for admission to the program.**

One point for each A&P or Microbiology course if taken at **Florida Gateway College**:
_____Maximum 3 points

TOTAL POINTS (Maximum 41) _____

PRE-REQUISITE COURSES

The PM-RN Bridge is a limited access program, which includes 30 credit hours of general education courses, 34 credit hours of nursing courses, and 8 experiential learning credits.

Course #	Course Title	Credit Hours
ENC 1101	Freshman Composition I	3
DEP 2004	Human Growth & Development	3
BSC 2085**	Anatomy & Physiology I	3
BSC 2085L**	Anatomy & Physiology I Lab	1
MAC 1105 OR MGF 1106	College Algebra OR Math For Liberal Arts OR Any higher level math course	3
SPC 2608	Public Speaking	3
PHI 2600 or HUM 2020 or HUM 2210 or HUM 2230 or HUM 2310 or HUM 2551 or	Ethics Introduction to Humanities World Humanities: Prehistory to 1400 C.E. World Humanities: 1400 to 1800 C.E. Mythology in the Arts Philosophy and Religion	3
BSC 2086**	Anatomy & Physiology II	3
BSC 2086L**	Anatomy & Physiology II Lab	1
MCB 2010	Microbiology	3
MCB 2010L	Microbiology Lab	1
HUN 1201	Nutrition	3

A GPA of 2.8, with no grade below a "C", is required in all pre-requisite courses to be considered for admission into the program.

Pre-requisite courses must be completed by the end of the fall term prior to spring admission to the program. Completion of these courses does not guarantee acceptance into the program. ALL science courses must have a lab.

CURRICULUM FOR PM-RN BRIDGE
72 CREDIT HOURS

SEM	*COURSE NAME*	*COURSE NUMBER*	*CR HRS*	*TOTAL SEMESTER HOURS*
ONE	Career Transition to Nursing	NUR 1051C	13	13
TWO	Transition to Adult Health II	NUR 2261C	11.5	11.5
THREE	MICA Transition Nursing Roles and Leadership	NUR 2412C NUR 2801C	6 3.5	9.5
PROGRAM TOTAL CREDIT HOURS	***GENERAL EDUCATION***			***30***
	NURSING			***34***
	******EXPERIENTIAL LEARNING***			***8***
				72

*****8 college credits are awarded to all students for experiential learning in nursing upon successful completion of NUR 1051C**

Credit hours are calculated 1 credit hour = 50 minutes. Laboratory hours are calculated 1 credit hour = 150 minutes.

In order to meet graduation requirements, students must demonstrate knowledge of computers as set forth in the Associate in Science Degree General Education Requirements of the Catalog.

All standardized and comprehensive tests and remediation are required to be completed in order to remain in the program.

The course calendar may vary from the college calendar. The student will have clinical assignments during days, evenings, weekdays and weekends at various times during the Nursing Program.

FGC reserves the right to make changes in admission criteria and program information as circumstances require in the continuing development of the program.

NURSING CORE PERFORMANCE STANDARDS

Nursing Program applicants should:

Possess sufficient physical, motor, intellectual, emotional, and social/communication skills to provide for patient care and safety, and the utilization of equipment in a variety of health care settings. Examples of performance standards for Nursing are outlined below.

ISSUE	STANDARD	EXAMPLES
Critical Thinking	Critical thinking sufficient for clinical judgment.	Complete competent assessment in a timely manner, make correct interpretations, devise a plan of care, and implement appropriate interventions. Progression during program to reflect independent decision with appropriate supervision.
Interpersonal	Interpersonal abilities sufficient to interact with individuals, families, and groups from a variety of social, emotional, cultural, and intellectual backgrounds.	Be able to cope with life and death situations and deal with families stressed by their loved one's critical condition while working with other health care providers.
Communication	Communication abilities sufficient for interaction with others in verbal and written form.	Follow verbal and/or written instructions. Must communicate patient response to therapy with others, document therapeutic procedures performed on patient, consult with other health care providers in a professional manner.
Mobility	Physical abilities sufficient to move from room to room, through hallways, and maneuver in small spaces. Includes the strength necessary to lift patients as needed.	Move to and from departments to patient rooms, from room to room to take care of all patients on a team, and assist in patient transport.
Motor Skills	Gross and fine motor abilities sufficient to provide safe and effective nursing care.	Perform vital signs, CPR, patient transport, physical assessment, equipment utilization.
Hearing	Auditory ability sufficient to monitor and assess health needs.	Auscultate BP, breath sounds, heart sounds, and bowel sounds. Hear alarms in units, call bells, and telephones. Must converse with patients, family, and staff.
Visual	Visual ability sufficient for observation and assessment necessary in nursing care.	Read patient charts/flow sheet/monitors, draw up and administer medications, assess patient skin color, and read thermometers and other equipment.
Tactile	Tactile ability sufficient for physical assessment and to provide nursing intervention.	Perform palpation, giving injections, starting IV's, sterile and non-sterile dressing changes, urinary catheterization, and assist patient with daily activities.

Latex Advisory: The use of latex/latex based products may exist in health care universal precautions and in environments such as, but not limited to, Health Sciences' classrooms and training labs, hospitals, nursing care facilities, laboratories, clinical areas, and medical/dental offices. Individuals with latex allergies should seek expert advice from their health care provider so that they may receive information to make an informed decision regarding their exposure to latex in the health care field.

PM-RN BRIDGE
NURSE ENTRANCE TEST (RNET)

NURSE ENTRANCE TEST (R-NET). All applicants must take this test. Scores must be submitted to the nursing department no later than August 16, 2018.

1. The RNET is the HESI entrance exam. The HESI is a computerized examination that is administered electronically. It consists of six exams that are academically oriented: Math, Reading, Comprehension, Grammar, Vocabulary, and Critical Thinking. **Results from this test are good for 2 years**. The HESI cumulative score will be used for the RNET score in the scoring grid. Please see Pages 6 and 7 for calculation of points on the Point System for Competitive Entrance in the ASDN Program.

2. The RNET exam is according to the FGC Testing Center schedule. The schedule is available on the college website. The testing center is closed on holidays and weekends, as determined by the FGC academic calendar. Call the Testing Center at 386-754-4309 for further assistance.

3. The RNET is administered on the computer. Complete instructions will be given just prior to administration of the examination. You will receive an explanation of your score following the test.

4. The cost of the test is $55.00. You may pay for the test with a credit card, cash or money order made out to FGC. Payment should be made at the cashier's office prior to the time of the test administration. **Bring only your receipt and photo ID to the testing center.**

FOLLOWING ACCEPTANCE INTO PROGRAM

Conditional letters of acceptance will be mailed by October 31, 2018

Acceptance information cannot be provided by phone. Please do not call to request this information.

FOLLOWING ACCEPTANCE INTO THE PROGRAM, THE STUDENT MUST:

1. Submit a copy of current basic CPR (Cardio-Pulmonary Resuscitation) card. **This *must be* Basic Life Support for Health Care Providers or BLS for Providers (American Heart Association) or Professional Rescuer for American Red Cross (ARC).** Contact your employer or the FGC Community Education Department for available classes at 386- 754-4300. Provide a copy to the nursing department by the last day of open registration for spring semester 2019 as determined by the FGC critical dates calendar. You must have a valid card throughout the nursing program.

2. Provide proof of completion of a Florida BON required Prevention of Medical Errors (2 CE's), AIDS/HIV (1CE), Florida Law (2CEs), Human Trafficking (2 CEs), Impairment in the Workplace (2 CEs) and Domestic Violence (2 CE's) to the Nursing Department by January 8, 2019*

3 Have a current PPD and physical examination verifying acceptable health status. Appropriate boosters must be completed. Proof of Immunity must be submitted from **official documentation only**. Official shot records from your doctor, the health department, or public school are acceptable. If official documentation is not available, then blood titers are necessary to determine immunity for hepatitis B, varicella (chickenpox), mumps, rubella, and rubeola (measles). Vaccinations may be necessary if immunity cannot be confirmed with the blood titer. Documentation must include a record of Tetanus booster within past 10 years. All health records (physical exam, immunizations, PPD) are due to the screening company by the date announced.*

4 A current flu vaccination is required. The timeframe for obtaining the flu vaccination will be announced.

5. Provide a copy (front and back) of his/her health insurance card by the first day of class (spring semester 2019). Student **must** be covered by personal health insurance following acceptance into, and throughout, the program.

6. Be free of offenses as listed in Florida Statutes S.400.211 as verified by an in-depth background screen. Information will be provided with your acceptance letter. Students are responsible for the cost*

7. Establish being drug free by testing negative on urinalysis for controlled substances, amphetamines, cannabinoids, cocaine, opiates, and PCP (5-panel drug screen).* Information will be provided with your acceptance letter. Students are responsible for the cost.*

***This information will be included in your acceptance letter.**

Students who fail to provide required documentation by the due date may have their acceptance rescinded.

Please make a copy of all records prior to submitting them to the screening company. You will need them for work after you graduate. You are responsible for maintaining these records. Copies will not be available following graduation from the program.

PHYSICAL HEALTH, DRUG SCREEN, AND BACKGROUND SCREEN

Final acceptance into the program is contingent upon satisfactory results from your physical examination, drug and alcohol screen, and in-depth background screen. The drug, alcohol and background screen must be completed by an agency as designated by the Director of ASDN and Certificate Programs. **Information on obtaining these tests/reports will be provided after classes start and MUST be completed and uploaded within two weeks. You must agree to authorize FGC to share the results of the background screen with any clinical site to which you may be assigned, if required by that site.**

Student Drug Screen and Background Check

When submitted, these records will become the property of the College, and will not be available for copying or for use to meet the requirements of outside employers.

Drug/Alcohol Screening

Area health care agencies are drug free places of employment. All health care agencies require a negative drug and alcohol screen before hiring a new employee. The Florida Gateway College Nursing and Health Sciences Division has been asked by area health care affiliates to require a drug and alcohol screen for program applicants who will be placed in area health care agencies for clinical rotations. Program applicants are required to obtain a substance abuse drug and alcohol screen and are subject to random screens upon admission to the program. These results are important for clinical rotations, and subsequent completion of the Nursing Program. Applicants with a positive result on the screen will be given a reasonable opportunity to explain the confirmed positive test result. If the explanation is unacceptable and/or cannot be satisfactorily documented by the applicant's physician or ARNP, or the Medical Review Office (MRO), the applicant will not be accepted into the program and, if enrolled, shall be dismissed from the program. Screening results will be kept in a confidential file.

The applicant may reapply and be considered for application to a Health Sciences program after a positive reference from a treatment team who has followed the applicant for at least two (2) years, and has dealt specifically with the applicant's problem of chemical dependence.

Results from the drug and alcohol screens are returned to the Director of ASDN and Certificate Programs and will be kept in a strictly confidential file, separate from the student's record. No screening results are to be placed in individual student files.

In-depth Background Screen

Nursing and Health Science students at Florida Gateway College involved in direct patient care during a clinical rotation in a hospital or related medical facility are required to complete an in-depth background screen. Information will be included in your acceptance letter. This is a requirement mandated under the guidelines cited in the current Florida Statutes: Chapter 435, and by health care agencies with which FGC has clinical, internship and externship agreements. Information will be included in your acceptance letter.

Any student who has been arrested regardless of adjudication, plea of nolo contendere, or pleas of guilty to, any offense under the provisions of Florida Statutes or under a similar statute of another jurisdiction may be disqualified from admission. According to the Florida Board of Nursing Policy, **students must self-disclose any charges and/or arrest information by submitting a letter to the Director of ASDN and Certificate Programs prior to admission to the program.**

The Florida Board of Nursing requires additional criminal checks on all applicants for licensure and any nursing licensure applicant who has an arrest record to present those records. The Florida Board of Nursing is the state agency authorized to issue nursing licenses. As part of the licensure application process, graduates will be required to submit a signed statement verifying compliance with the Agency for Health Care Administration Florida Board of Nursing Rule 64 B 9-3.002 which states:

- **Prior to application for examination, convicted felons must obtain a restoration of their civil rights or they are ineligible to sit for the examination.**
- **If an applicant has been convicted of any offense other than minor traffic violation, the applicant shall submit arrest and court records stating the nature of the offense and final disposition of the case so that a determination can be made by the Board whether the offense relates to the practice of nursing or the ability to practice nursing. Any convicted felons must submit proof of restoration of civil rights or they are ineligible for licensure.**

BACKGROUND CHECKS

Applicants for Nursing and Health Sciences programs must be free of offenses that would disqualify one for employment as a Certified Nursing Assistant (CNA) in a nursing home (Florida Statutes s.400.211). This policy is the result of requirements by clinical affiliates which must comply with state and federal regulations.

Judgments of guilty or pleas of *nolo contendere* (no contest) to the following crimes may disqualify applicants from entering into clinical rotations associated with a Florida Gateway College Nursing and Health Sciences program:

a. Murder, Manslaughter or Vehicular homicide
b. Killing of an unborn child by injury to the mother
c. Assault or Battery, if the victim of the offense was a minor
d. Aggravated assault or battery
e. Kidnapping or False imprisonment
f. Sexual battery
g. Prohibited acts of persons in familial or custody authority
h. Prostitution
i. Lewd and lascivious behavior
j. Lewdness and indecent exposure
k. Arson
l. Theft, robbery, and related crimes, if the offense is a felony
m. Fraudulent sale of controlled substances, only if the offense was a felony
n. Incest
o. Abuse, neglect or exploitation of a disabled adult or elderly person
p. Aggravated child abuse
q. Child abuse
r. Negligent treatment of children
s. Sexual performance by a child
t. Obscene literature
u. Drug offenses which were a felony, or if the offense involved a minor
v. Fraudulent practices in Health Care, Medicaid, Medicare or any public assistance program

Some Health Care units will require an additional abuse check. If this is the case, the following applies: Has not been judicially determined to have committed abuse or neglect against a child as defined in s.3901(2) and (45); does not have a confirmed report of abuse, neglect, or exploitation as defined in s.415.102(6), or abuse or neglect as defined in s.415.503(6), which has been uncontested or upheld under s.415.1075 or s.415.504; does not have a proposed confirmed report that remains unserved and is maintained in the central abuse registry and tracking system pursuant to s.415.1065(s)©; and has not committed an act that constitutes domestic violence as defined ins. 714.128.

If unclear if you would be cleared for a license please follow the link below for the conviction guidelines published by the state of Florida for those wishing to apply for a nursing license.

http://floridasnursing.gov/licensing/licensed-practical-nurse-registered-nurse-by-examination/

ESTIMATED EXPENSES
PM-RN BRIDGE

Tuition: Based on $103.32 per credit hour for **in-state tuition.
(Fees are subject to change.)

* Prerequisites	$ 3,099.60	(30 hours)
* Semester One	1,343.16	(13 hours)
* Semester Two	1,188.18	(11.5 hours)
* Semester Three	981.54	(9.5 hours)
* Lab Fees	1,506.50	(Includes standardized testing; liability insurance, lab fees)
Background and drug screens	171.00	
TOTAL	**$8,289.98**	(Cost will be higher if prep courses are required and/or if courses are completed via distance learning)

Other:

* Books and Supplies	**$1,510.00**
* Nurse Entrance Test (RNET)	**55.00**
(2) Uniforms (estimate)	**180.00**
(1) Lab Coat (estimate)	**30.00**
Name Pin, Shoes, Watch	**100.00**
Clinical Supplies	**25.00**
Physical Exam	**160.00**
Personal Health Insurance	**150.00**
State Board Application Fee	**175.00**
NCLEX Examination Fee	**200.00**
TOTAL	**2,585.00**
PROGRAM TOTAL	**$10,884.98**

These are **estimated** expenses and subject to change.

*FEES TO BE PAID TO THE COLLEGE.

**Out-of-state students please check with Admissions Office for credit hour fees.
.
Note: Toward the end of the program, students may be expected to incur additional expenses toward graduation, including reception and NCLEX fees. Students may also be asked by organized student representatives to participate in fund-raising activities to help with these expenses.

ADVISING APPOINTMENTS

If an advising appointment is desired, please call the Advising Office at 386-754-4222 (College Advising) to schedule an appointment with an advisor.

EMPLOYMENT

The Nursing Program is academically demanding and time consuming. While you are enrolled in the Nursing Program, **it is recommended that employment be on a part-time basis, no more than 20 hours per week.**

FINANCIAL AID

Financial Aid is available to qualified students through the Office of Financial Aid, 386-754-4282. Limited additional scholarships are available to students in the Nursing Program.

READMISSION

Students seeking a second admission at any level of the program must follow the Nursing and Health Sciences Readmission Policy found in the Nursing Student Handbook or in the Nursing and Health Sciences department. Students are allowed only two admissions to the ASDN program.

TRANSFERS

Students seeking to transfer from another nursing program must follow the transfer policy. A copy of the policy is available upon request from the ASDN Program Coordinator.
