Student Expectations

Attendance

*It is understood that students will be on Canvas at least a few times each week. Therefore, **it is the student's responsibility to budget time and get things done.** Serious personal life events should be discussed with the instructor, on an individual basis, by email or (preferably) by phone. No personal documentation (obituaries, doctors notes) will ever be requested, or necessary, for any reason.*

***DUAL ENROLLMENT STUDENTS who miss (an) assignment/s due to a **school sponsored activity** (sports, robotics, FFA, field trip) need to **tell the instructor ahead of time** (minimum of **48 hours** before the beginning of the trip) and make a plan to turn in the work. If late then penalties may apply. Documentation may be required.*

Courtesy and Student Conduct Code

The instructor regularly checks emails and can provide very quick response during daytime hours Mondays-Fridays generally, and also frequently Saturdays-Sundays. When a student sends an email, the following rules and courtesies should be observed:

>All communications must be signed, with a name. Un-signed emails or texts will be immediately returned to the student, un-answered, with a request for a name.

>Be as clear as possible in framing the question or request. Improper grammar such as text-speak (example: “can u plz tell us whn r grades r posted k thx”) can lead to confusion and will be ignored.

>Communicate with a clear frame of mind. Rude, disrespectful, discourteous emails will be ignored with severe cases being referred to a Dean for disciplinary measures, as appropriate.

Please try to be courteous and respectful on the discussion boards.

In class please be respectful and courteous.

Late Work

Revel quizzes can be taken through Revel, for half credit, after the deadline, anytime until the final deadline of the semester.

Papers, and homework will lose one letter grade (10% of the overall grade) for every 24 hours that has passed after the original due date/time. This penalty starts at 12:01 a.m. immediately after the deadline. After 3 days, late work will not be accepted unless a specific plan has been worked out with the instructor.

Discussion boards can be made up within 48 hours for ½ credit.

Please contact your instructor directly, your academic advisor, and the SSC. Your instructor's information is provided in the email.

Navigate Student is a mobile app designed to support students during their academic careers at FGC. Navigate Student is the ultimate student resource that acts as a personal advisor and provides students with the information they need, when they need it. Additionally, students may make an appointment with an advisor, view campus events, be alerted on important to-do's, view class schedules, explore their major, and much more.

Please do not allow yourself to struggle. We are here to help you achieve success. The mission of the SSC is to help encourage and promote your educational journey here at FGC and beyond.

Class Recording

A student shall not make a recording in class unless the recording is limited to the class lecture, and

Students are not permitted to record in class, through any means over any medium, any academic or other activity that is not a class lecture. Academic Appeal; Grievances; General Complaint

If a student wishes to file an academic appeal, grievance, or general complaint, please visit the college's website. Under Students and the Complaints & Appeals section (<https://www.fgc.edu/students/complaints-and-appeals/>), information regarding policy, procedure, and forms related to these topics is provided.

College Course Withdrawal and Drop Process

A course may be dropped only during the published add/drop period. After add/drop, students must withdrawal from their course. Please visit the College Catalog for more detailed information about the drop and withdrawal process.

Students are responsible for withdrawing by the published deadline. Students must allow sufficient time for the process to be completed. The fully approved withdrawal form is due to Enrollment Services by 4:30 p.m. on the deadline posted on the Academic Calendar or it is considered late.

To withdraw from a course, the following steps must take place:

1. The student obtains the instructor's authorization and last date of attendance in person or via email.
2. The student meets with an academic advisor, who will sign the form (Building 14). Or, if an online student, emails the advisor a statement requesting a withdrawal from the course. The email must include the instructor's email with the last date of attendance.
3. The advisor will complete a withdrawal form, attach the emails from the student and instructor in lieu of signatures and forward the form to Financial Aid.
4. A Financial Aid representative will complete and sign the form and forward the form to Enrollment Services to be processed.

Students are strongly encouraged to begin the withdrawal process the day before the withdrawal deadline to allow sufficient time for the process to be completed by all offices involved (Instructor, Advising Services, Financial Aid, Enrollment Services).

It is the student's responsibility to understand all financial and academic implications of the withdrawal. Students are permitted a maximum of two (2) withdrawals per course. Upon the third attempt, a student must receive a grade for the course. Absence from class or merely notifying the professor does not constitute withdrawal. A student who stops attending class without withdrawing will receive a grade from the instructor.

Incompletes

Incomplete grades are reserved for students who are unable to complete a course and the withdrawal date has passed. A student should only be issued an incomplete if at least 75% of the course assignments have been submitted and the student can reasonably complete the remaining assignments within the first three weeks of the next term to earn a passing overall grade. Otherwise, students should be issued the earned letter grade in the course at the end of the current term.

The Incomplete Grade Request Form must be completed and submitted for approval by the FIRST day of Final Exams and BEFORE issuing the "I" grade. The instructor will describe

the circumstances leading up to the requested "I" for the course, and list the missing assignments, quizzes, exams, and any other course requirements needed to satisfactorily complete the course within the first three weeks of the next term. The form must be signed by the instructor, student, and the Dean/Executive Director over the program. Once all participants have signed, an approval email will be sent to the instructor for authorization to assign the "I" grade.

Student Communication Standards

You are expected to communicate in a professional and respectful tone with the instructor and fellow classmates. All written communication (in email correspondence, discussion forums, assignments, quizzes and exams, etc.) must use proper written English. Please refrain from using online and texting abbreviations and language. Oral communications, if applicable, must be made with a respectful tone and body language. Use proper netiquette throughout!

To get started, you will need to download the Honorlock Chrome Extension using Google Chrome. You can download the extension on the Honorlock website (www.honorlock.com/install/extension/). When you are ready to test, log into the LMS, go to your course, and click on your exam. Honorlock will be recording your exam session by webcam as well as recording your screen. Honorlock also has an integrity algorithm that can detect search-engine use, so please do not attempt to search for answers, even if it's on a secondary device.

Honorlock support is available 24/7/365. If you encounter any issues, you may contact Honorlock by live chat, by phone at 844-243-2500, and/or by email at support@honorlock.com.

Turnitin Statement

Instructors may require writing assignments to be submitted to Turnitin when uploaded to Canvas. Turnitin is an internet-based service that looks for similarities and potential plagiarism by comparing your assignment submissions with its massive database of student work (including previous student submissions at Florida Gateway College), the Internet, and its

entire archive, books, and journal and reference publications. Turnitin generates a similarity report, which can help you and your instructor determine whether you used sources fairly and ethically, cited correctly, and paraphrased effectively.

You are encouraged to submit your written work to Turnitin prior to assignment deadlines, whether through Canvas or Draft Coach. If needed, that would allow you time to review the library's research and help guides or seek writing assistance from your instructor or a tutor in the Student Success Center.
