Student Expectations

Academic Integrity

All exams are in-person during class and proctored through Honorlock. Exams are closed book, meaning that no outside notes nor devices may be used. No cheating will be tolerated.

The use of AI such as ChatGPT is not acceptable for any assignments unless otherwise specified by the instructor.

Attendance

Attendance and participation are mandatory. Although attendance itself will not be graded, there will be in-class assignments that cannot be made up without a valid, documented excuse. Receiving five (5) or more absences will result in a 10% deduction in your overall class grade.

Courtesy and Student Conduct Code

Students are expected to be respectful toward both their professor and their peers. Both verbal and written communication should be professional, positive, and clearly stated. Please refrain from using slang or abbreviations when using written correspondence. Discrimination and the use of profanity or offensive language is prohibited and will not be tolerated.

Late Work

Late work (DBPs, activities, labs, homework, and quizzes) will incur a penalty of one (1) letter grade, or 10 percentage points per day that it is late. Late work will not be accepted more than 72 hours past the deadline. Exceptions will be considered on a case-by-case basis for extenuating circumstances. If you experience a life-altering event which prohibits you from completing an assignment by the scheduled due date, you must provide documentation to support your claim. Please communicate known circumstances as far in advance of a due date as possible. In order to avoid late work caused by temporary disruptions in internet service or other unanticipated technical issues, please consider working ahead.

Exams and the Final Project will not be accepted late outside of extraordinary circumstances.

Grading Policies (Student Performance Measures)

Learning Activities

- **Assignments (25%):** Assignments will include homeworks, quizzes, and in-class activities. Homework and quizzes will be completed through Canvas and will be due at 11:59pm of the posted date. Participation in homework assignments is crucial to understanding the material and performing well on exams. Homeworks are designed to be a challenging integration of unit material and are intended to be completed with collaboration among your peers. Quizzes are designed to prepare you for the exam and should **not** be done collaboratively. In-class assignments may include activities, discussions, and/or quizzes.
- **Labs (10%):** Labs will be completed in person. You will be expected to apply the knowledge gained from the lecture section of the course in a laboratory setting, while learning practical skills to develop and demonstrate your ability to use scientific reasoning.
- **Exams (30%):** Exams will test your overall knowledge of material presented during the course. There will be four (4) non-cumulative exams throughout the semester. Missed exams can only be made up with a valid, documented excuse and **must** be made up within one (1) week of the missed date. Your lowest exam score may be dropped each semester.
- **Midterm Project (20%):** Your midterm project will be an individual nutrition diary and research presentation. Details will be discussed in the course.
- **Final Exam (15%):** A cumulative exam administered during finals week at the end of the semester. The Final Exam cannot be dropped and will not be made up outside of extraordinary circumstances.

Grading Scale

A – 90% - 100%

B+ – 85% - 89%

B – 80% - 84%

C+ – 75% - 79%
C – 70% - 74%
D+ – 65% - 69%
D – 60% - 64%
F – 59% or below

Returning Grades

I will grade most assignments within one week of the due date. For more expansive assignments, I will return them within two weeks. This gives me ample time to provide constructive, useful feedback to help you progress and grow as a student in this course. I strongly encourage you to review **ALL** feedback, regardless of the score you receive on an assignment.

Rounding Grades

Your overall grade will be rounded to the nearest 1% and assigned to the corresponding letter grade. For example, an overall average of 79.4% will be rounded to 79% and will be counted as a C. Similarly, a grade of 79.5% will be rounded to an 80% and will be counted as a B. This is not negotiable under any circumstance.

Extra Credit

Extra credit opportunities will be provided at the instructor's discretion throughout the semester. Those who are not actively engaged in course assignments throughout the semester may be denied the opportunity to gain extra credit.

Student Support and Tech Needs

This course requires students to have access to a computer and the internet. For those students who do not own a computer, computer labs are available on the FGC campus and in public libraries. Students without internet can come to the FGC campus, go to local public libraries, coffee shops, etc.

Minimal technical skills require for this course include the ability to use Microsoft Office products and navigate the Internet.

EAB Navigate

The SSC initiates student progress reports to the entire campus through EAB Navigate. EAB Navigate is an early-alert tool designed to identify students who may be susceptible to falling behind in their course before they actually do.

Twice during the semester, we provide instructors with the opportunity to ALERT students of their course progress. This is done through the FGC Wolves email account. Students may receive an email stating their success may be at risk in a specific course. If you receive this email, DO NOT PANIC. Please contact your instructor directly, your academic advisor, and the SSC. Your instructor's information is provided in the email.

Navigate Student is a mobile app designed to support students during their academic careers at FGC. Navigate Student is the ultimate student resource that acts as a personal advisor and provides students with the information they need, when they need it. Additionally, students may make an appointment with an advisor, view campus events, be alerted on important to-do's, view class schedules, explore their major, and much more.

Please do not allow yourself to struggle. We are here to help you achieve success. The mission of the SSC is to help encourage and promote your educational journey here at FGC and beyond.

Class Recording

A student shall not make a recording in class unless the recording is limited to the class lecture, and

1. the recording is made for the student's personal educational use,
2. in connection with a complaint to the college, **or**
3. as evidence in or in preparation for a criminal or civil proceeding.

Students are not permitted to record in class, through any means over any medium, any academic or other activity that is not a class lecture. A recording of any meeting or conversation between students, or between students and faculty, is strictly prohibited unless all parties have consented to such recording. A recording of a class lecture may not be published without the prior express written consent of the recorded faculty member.

Academic Appeal; Grievances; General Complaint

If a student wishes to file an academic appeal, grievance, or general complaint, please visit the college's website. Under Students and the Complaints & Appeals section (<https://www.fgc.edu/students/complaints-and-appeals/>), information regarding policy, procedure, and forms related to these topics is provided.

College Course Withdrawal and Drop Process

A course may be dropped only during the published add/drop period. After add/drop, students must withdrawal from their course. Please visit the [College Catalog](#) for more detailed information about the drop and withdrawal process.

Students are responsible for withdrawing by the published deadline. Students must allow sufficient time for the process to be completed. **The fully approved withdrawal form is due to Registration & Records by 4:30 p.m. on the deadline posted on the [Academic Calendar](#) or it is considered late.**

To withdraw from a course, the following steps must take place:

1. The student will log in to MyFGC and navigate to the Withdrawal form.
2. First, click the Student tab; next click Registration; and then click Course Withdrawal Form.
3. The student will enter the course information, the instructor's email address, and the advisor's name and email address. Once all information is entered, submit the form.
4. The form then routes directly to the instructor for approval and the last date of attendance. Once the instructor has completed their portion, the form will route to the advisor.
5. The advisor will complete their portion of the form and submit.
6. The form then routes to Registration & Records for processing. The student will receive an email notification to their FGC Wolves email account once this step is completed.
7. If the form is denied, the student will be notified by email and should contact the advisor with any questions.

Students are strongly encouraged to begin the withdrawal process the day **before** the withdrawal deadline to allow sufficient time for the process to be completed by all offices involved (Instructor, Advising Services, Financial Aid, Registration & Records).

It is the student's responsibility to understand all financial and academic implications of the withdrawal. Students are permitted a maximum of two (2) withdrawals per course. Upon the third attempt, a student must receive a grade for the course. Absence from class or merely notifying the professor does not constitute withdrawal. A student who stops attending class without withdrawing will receive a grade from the instructor.

Incompletes

Incomplete grades are reserved for students who are unable to complete a course and the withdrawal date has passed. A student should only be issued an incomplete if at least 75% of the course assignments have been submitted and the student can reasonably complete the remaining assignments **within the first three weeks** of the next term to earn a passing overall grade. Otherwise, students should be issued the earned letter grade in the course at the end of the current term.

The **Incomplete Grade Request Form** must be completed and submitted for approval by the **FIRST day of Final Exams and BEFORE** issuing the "I" grade. The instructor will describe the circumstances leading up to the requested "I" for the course, and list the missing assignments, quizzes, exams, and any other course requirements needed to satisfactorily complete the course **within the first three weeks** of the next term. The form must be signed by the instructor, student, and the Dean/Executive Director over the program. Once all participants have signed, an approval email will be sent to the instructor for authorization to assign the "I" grade.

You are expected to communicate in a professional and respectful tone with the instructor and fellow classmates. All written communication (in email correspondence, discussion forums, assignments, quizzes and exams, etc.) must use proper written English. Please refrain from using online and texting abbreviations and language. Oral communications, if applicable, must be made with a respectful tone and body language. Florida Gateway College has partnered with Honorlock, an online testing proctoring service. If off-campus remote proctoring is required during any course, Honorlock will be the online proctoring

service that allows you to take your exam. You **DO NOT** need to create an account, download software or schedule an appointment in advance. Honorlock is available 24/7 and all that is needed is a computer, a working webcam, and a stable Internet connection.

To get started, you will need to download the Honorlock Chrome Extension using Google Chrome. You can download the extension on the Honorlock website (www.honorlock.com/install/extension/). When you are ready to test, log into the LMS, go to your course, and click on your exam. Clicking **Launch Proctoring** will begin the Honorlock authentication process, where you will take a picture of yourself, show your ID, and complete a scan of your room. Honorlock will be recording your exam session by webcam as well as recording your screen. Honorlock also has an integrity algorithm that can detect search-engine use, so please do not attempt to search for answers, even if it's on a secondary device.

Honorlock support is available 24/7/365. If you encounter any issues, you may contact Honorlock by live chat, by phone at 844-243-2500, and/or by email at support@honorlock.com.

Instructors may require writing assignments to be submitted to Turnitin when uploaded to Canvas. Turnitin is an internet-based service that looks for similarities and potential plagiarism by comparing your assignment submissions with its massive database of student work (including previous student submissions at Florida Gateway College), the Internet, and its entire archive, books, and journal and reference publications. Turnitin generates a [similarity report](#), which can help you and your instructor determine whether you used sources fairly and ethically, cited correctly, and paraphrased effectively.

You are encouraged to submit your written work to Turnitin prior to assignment deadlines, whether through Canvas or [Draft Coach](#). If needed, that would allow you time to review the [library's research and help guides](#) or seek writing assistance from your instructor or a tutor in the Student Success Center.
