Course Information

Credits: 3

Requirements Met: AATR, GE, GEC

General Education Area: Group 1 Science

Prerequisites: Completion of REA0017, ENC0025, and MAT0028 or MGF1100 with a grade of C or better, or ENC0027C and MAT0028 or MGF1100 with a grade of C or better, or score out on appropriate placement test.

Corequisite: BSC2085L

Course Description

THIS COURSE IS THE FIRST PART OF A TWO-SEMESTER SEQUENCE IN WHICH STUDENTS EXAMINE HUMAN ANATOMY AND PHYSIOLOGY THROUGH A SYSTEMS APPROACH BASED ON THE INTERACTION BETWEEN FORM AND FUNCTION, FROM THE MICROSCOPIC COMPONENTS OF CELLS AND TISSUES TO THE ORGANISMAL LEVEL. EMPHASIS IS PLACED ON HISTOLOGY AND THE INTEGUMENTARY, SKELETAL, MUSCULAR, AND NERVOUS SYSTEMS.

General Learning Outcome

- **Scientific Reasoning:** Students will apply empirical evidence to evaluate natural phenomena.

Institution Course Learning Outcomes

At the end of the course, you will be able to:

- Demonstrate the ability to identify and evaluate scientific information based on models and methodology to evaluate information
- Demonstrate and apply the scientific method to identify an issue for experimentation
- Demonstrate an understanding of proper lab techniques including the proper use of equipment and materials to facilitate an understanding of the principles of Anatomy and Physiology
- Analyze the data by applying scientific quantitative methods to re-evaluate the experiment
- Interpret, draw conclusions and realize limitations from scientific models and schematic data to develop ideas for an original product
- Demonstrate and apply knowledge of the major concepts in Anatomy and Physiology and integrate the information into a structured understanding and awareness of biological processes and the effect on society.
- Demonstrate Technological abilities by the Utilization of PowerPoint during the regular class presentations.

STATE-WIDE STUDENT LEARNING OUTCOMES:

- STUDENTS WILL IDENTIFY CELL STRUCTURES AND DESCRIBE THEIR FUNCTIONS.
- STUDENTS WILL DISTINGUISH TISSUES BY STRUCTURE, LOCATION IN THE BODY, AND CONTRAST THEIR NORMAL PHYSIOLOGY.
- STUDENTS WILL DEMONSTRATE AN UNDERSTANDING OF ANATOMICAL STRUCTURE, ORGANIZATION OF THE BODY, CAVITIES, PLANES, AND DIRECTIONAL TERMS.
- STUDENTS WILL IDENTIFY AND DESCRIBE STRUCTURES OF INTEGUMENTARY, SKELETAL, MUSCULAR, AND NERVOUS SYSTEMS.
- STUDENTS WILL INTERPRET THE FUNCTIONS OF THE INTEGUMENTARY, SKELETAL, MUSCULAR, AND NERVOUS SYSTEMS.
- STUDENTS WILL EXPLAIN HOW THE COMPONENTS OF THE HUMAN BODY MAINTAIN HOMEOSTASIS.
- STUDENTS WILL ANALYZE AND INTERPRET PHYSIOLOGICAL DATA.

Student Expectations

Attendance

Attendance is mandatory for this online lecture, you need to: **read at least 20 minutes every day** of the week, **complete at least one chapter online mastering activity (homework and quiz per week)**; and **review the email twice per week**.

Courtesy and Student Conduct Code

Netiquette: Always maintain respectful communication and appropriate behavior in class and also in all online communications, write in a professional way. Remember not to use your phone or any other electronic device during class related activities.

Late Work

It is at the discretion of the instructor to accept late work (please communicate with me directly), except at the end of the course where it is imperative to have deadlines.

Additional Student Expectation

I expect my students to read the covered material every day in an orderly manner and review the concepts of anatomy and physiology also do all activities from the first to the last day to succeed in the class and in their health care field career.

Additional Student Expectation

I expect my students to be engaged: interested and motivated to learn in addition to participating in group lab-related activities to be successful in the course and in the future studies related to the health care field and life. Remember to read every day for 20 minutes.

Grading Policies (Student Performance Measures)

Learning Activities

Participation (40 %= all HomeWorks 20% =100 points and all quizzes 20%= 100 points online mastering): This occurs through being an active student, attending (Reading) each week the Chapter covered online canvas power point and or video lecture on your own, and participating throughout the week in class activities by have completed the homework and quiz of the week in a timely manner.

Midterm Exam (20%= 100 points): Read and study chapters 1-2-3-4-5-6-7-8 We will review throughout the semester during lab activities each chapter, allowing you to engage in the content with the professor and fellow classmates. It's important that you follow the standards and are engaged throughout. To understand and remember in the future the basic concepts of Anatomy & Physiology.

Final Exam (20%=100 points): Read and study chapters 1 to 14 with emphasis on 9-10-11-12-13-14 There will be several concepts and activities during lab that review the chapters listed and concepts from the previous ones, the exam will evaluate with more emphasis the second group of chapters (6)4 of them are related to the nervous system; the assignments throughout the course help to understand the information.

Research Project (20%=100 points): At the end of the course, you'll need to complete a project that includes reflection. This is 20% of your grade, so it's imperative you spend time to complete it correctly. It's good practice, as most of your courses will have a big assignment at the end.

Activity	Points	Percentage	Final grade
All online mastering homework	100	20%	
All online mastering quizzes	100	20%	
Midterm Exam	100	20%	
Final Exam	100	20%	
Research Project	100	20%	
Total	500/5=100	100%	100

Grading Scale

- A – 90% - 100%
- B – 80% - 89.9%
- C – 70% - 79.9%
- D – 60% - 69.9%
- F – 59.9% or below

Returning Grades

I will grade most assignments within one week of the due date. For more expansive assignments, I will return them within two weeks. This gives me ample time to provide constructive, useful feedback to help you progress and grow as a student in this course.

Student Support and Tech Needs

This course requires students to have access to a computer and the internet. For those students who do not own a computer, computer labs are available on the FGC campus and in public libraries. Students without internet can come to the FGC campus, go to local public libraries, coffee shops, etc.

Minimal technical skills required for this course include the ability to use Microsoft Office products and navigate the Internet.

If you have any additional questions, please contact IT at 386-754-4408. You can also email the Florida Gateway College helpdesk at helpdesk@fgc.edu.

The Library

The Wilson S. Rivers Library is located in Building 200 and also includes millions of e-books and articles (<https://www.fgc.edu/academics/library/>). The library has more than 70 computers with 50 pages daily of free B&W or Color printing for students. There are also small and large study rooms available for two hours at a time. Click the link above for more information. Librarians are available to assist with research help, and there are helpful videos on library searching and citation help here: (<https://www.fgc.edu/academics/library/research-help-and-guides/>).

Student Success Center (SSC)

The Student Success Center (SSC) is located in Building 008. The SSC offers a variety of resources for students and faculty. Access to computers and limited printing is available. Copies of reference books, textbooks, access to course specific software, and access to tutors for all levels of math and writing are available in the SSC. Tutoring in other subjects is also offered. The SSC provides space for students to study in subject specific learning groups. Stop by or call the Student Success Center to request the most current tutor schedule (386-754-4382).

Fall Semester SSC Hours

Monday--Thursday: 8:00am – 7:30 pm

Friday: 9:00am – 4:30pm

Spring Semester SSC Hours

Monday--Thursday: 8:00am – 6:00 pm

Friday: 9:00am – 4:30pm

Summer Semester SSC Hours

Monday – Thursday: 7:30 am – 5:00 pm

If you have any questions, you may contact the center by phone at 386-754-4479, 386-754-4382, or by emailing Christina Slater at christina.slater@fgc.edu.

EAB Navigate

The SSC initiates student progress reports to the entire campus through EAB Navigate. EAB Navigate is an early-alert tool designed to identify students who may be susceptible to falling behind in their course before they actually do.

Twice during the semester, we provide instructors with the opportunity to ALERT students of their course progress. This is done through the FGC Wolves email account. Students may receive an email stating their success may be at risk in a specific course. If you receive this email, DO NOT PANIC. Please contact your instructor directly, your academic advisor, and the SSC. Your instructor's information is provided in the email.

Navigate Student is a mobile app designed to support students during their academic careers at FGC. Navigate Student is the ultimate student resource that acts as a personal advisor and provides students with the information they need, when they need it. Additionally, students may make an appointment with an advisor, view campus events, be alerted on important to-do's, view class schedules, explore their major, and much more.

Please do not allow yourself to struggle. We are here to help you achieve success. The mission of the SSC is to help encourage and promote your educational journey here at FGC and beyond.

Class Recording

A student shall not make a recording in class unless the recording is limited to the class lecture, and

1. the recording is made for the student's personal educational use,
2. in connection with a complaint to the college, or
3. as evidence in or in preparation for a criminal or civil proceeding.

Students are not permitted to record in class, through any means over any medium, any academic or other activity that is not a class lecture. A recording of any meeting or conversation between students, or between students and faculty, is strictly prohibited unless all parties have consented to such recording. A recording of a class lecture may not be published without the prior express written consent of the recorded faculty member.

Resource Information

Florida Gateway College has partnered with BetterMynd, (<https://www.bettermynd.com/students>) an online therapy platform for college students, to offer our students access to free video-therapy sessions with their diverse network of licensed mental health counselors.

Florida Gateway College students can now access free online therapy sessions on the BetterMynd platform with the counselor of their choice. These 50-minute, live video-sessions are private, confidential, and can take place from the convenience of your laptop, smartphone, or tablet. Sessions are available during the day, at night, and on the weekends.

To register and get started with a counselor that's a good fit for you, sign-up here. (<https://app.bettermynd.com/register>)

If you have any questions about these services, you can email BetterMynd at students@bettermynd.com.

If you are in the need of additional resources please contact the Director of Student Life, Amy Dekle, at amy.dekle@fgc.edu, or by visiting Building 007.

Academic Appeal; Grievances; General Complaint

If a student wishes to file an academic appeal, grievance, or general complaint, please visit the college's website. Under Students and the Complaints & Appeals section (<https://www.fgc.edu/students/complaints-and-appeals/>), information regarding policy, procedure, and forms related to these topics is provided.

College Course Withdrawal and Drop Process

A course may be dropped only during the published add/drop period. After add/drop, students must withdrawal from their course. Please visit the [College Catalog](#) for more detailed information about the drop and withdrawal process.

Students are responsible for withdrawing by the published deadline. Students must allow sufficient time for the process to be completed. The fully approved withdrawal form is due to Registration & Records by 4:30 p.m. on the deadline posted on the [Academic Calendar](#) or it is considered late.

To withdraw from a course, the following steps must take place:

1. The student will log in to MyFGC and navigate to the Withdrawal form.
2. First, click the Student tab; next click Registration; and then click Course Withdrawal Form.
3. The student will enter the course information, the instructor's email address, and the advisor's name and email address. Once all information is entered, submit the form.

4. The form then routes directly to the instructor for approval and the last date of attendance. Once the instructor has completed their portion, the form will route to the advisor.
5. The advisor will complete their portion of the form and submit.
6. The form then routes to Registration & Records for processing. The student will receive an email notification to their FGC Wolves email account once this step is completed.
7. If the form is denied, the student will be notified by email and should contact the advisor with any questions.

Students are strongly encouraged to begin the withdrawal process the day before the withdrawal deadline to allow sufficient time for the process to be completed by all offices involved (Instructor, Advising Services, Financial Aid, Registration & Records).

It is the student's responsibility to understand all financial and academic implications of the withdrawal. Students are permitted a maximum of two (2) withdrawals per course. Upon the third attempt, a student must receive a grade for the course. Absence from class or merely notifying the professor does not constitute withdrawal. A student who stops attending class without withdrawing will receive a grade from the instructor.

Incompletes

Incomplete grades are reserved for students who are unable to complete a course and the withdrawal date has passed. A student should only be issued an incomplete if at least 75% of the course assignments have been submitted and the student can reasonably complete the remaining assignments within the first three weeks of the next term to earn a passing overall grade. Otherwise, students should be issued the earned letter grade in the course at the end of the current term.

The Incomplete Grade Request Form must be completed and submitted for approval by the FIRST day of Final Exams and BEFORE issuing the "I" grade. The instructor will describe the circumstances leading up to the requested "I" for the course, and list the missing assignments, quizzes, exams, and any other course requirements needed to satisfactorily complete the course within the first three weeks of the next term. The form must be signed by the instructor, student, and the Dean/Executive Director over the program. Once all participants have signed, an approval email will be sent to the instructor for authorization to assign the "I" grade.

Student Communication Standards

You are expected to communicate in a professional and respectful tone with the instructor and fellow classmates. All written communication (in email correspondence, discussion forums, assignments, quizzes and exams, etc.) must use proper written English. Please refrain from using online and texting abbreviations and language. Oral communications, if applicable, must be made with a respectful tone and body language. Use proper [netiquette](#) throughout!

Academic Honesty

At Florida Gateway College, we value the development of critical thinking, effective communication, and academic growth. To ensure fairness and uphold the principles of academic integrity, any instances of academic dishonesty (i.e., cheating, plagiarism, bribery, misrepresentation, fabrication, unauthorized use of AI technologies, etc.) are not permitted and

will be dealt with severely. Students should make themselves aware of the student code of conduct found in the Student Handbook. We believe in your ability to think critically and develop your own unique perspectives. By adhering to these guidelines and committing to the principles of academic integrity, you will not only enhance your learning experience, but also foster an environment of trust and respect within our academic community.

Use of AI Technologies

The use of AI technologies to generate or assist in the creation and completion of assignments is strictly prohibited, unless explicitly allowed by the instructor as described in the course syllabus. It is your responsibility to read this thoroughly and carefully at the beginning of the semester.

Your assignments should reflect your own thoughts, analysis, and original work. Florida Gateway College employs the use of AI detection tools to assess the authenticity of your assignments. These tools are designed to identify instances of cheating and plagiarism, including the use of AI technologies. Any submissions that violate this policy will be subject to disciplinary action. If you have any questions or concerns regarding the use of AI technologies in your courses, please review your course syllabus or reach out to your instructor for clarification.

Civil Rights and Compliance Statement

Florida Gateway College does not discriminate in education or employment related decisions on the basis of race, color, ethnicity, national origin, sex, religion, disability, age, marital status, genetic information, sexual orientation, pregnancy, or any other legally protected status in accordance with the law. The Civil Rights & Compliance Officer is Cassie Buckles, Associate Vice President of Human Resources, Building 001, Room 116, 149 SE College Place, Lake City, FL 32025, and may be reached at cassandra.buckles@fgc.edu or by phone at 386-754-4313.

Disability Statement

The Office of Accessibility Services (OAS) is a resource for both students with disabilities as well as faculty. Students with disabilities in need of academic accommodations must first be registered with the OAS to verify the disability, establish eligibility, and determine reasonable academic accommodations.

After registering with the OAS, students must request their academic accommodation letters be sent to them each semester to share with their instructors. Upon receipt of the letter, the instructor will be available during office hours or via email to discuss the accommodations a student will need during the course.

Students with disabilities who are not registered with the OAS or faculty who may have questions or concerns regarding an accommodation, please contact the office at the following:

In person: Building 007, Room 107

Phone: (386) 754-4393

Email: Accessibility.Services@fgc.edu

FERPA Statement

The Family Educational Rights and Privacy Act (FERPA) provides certain privacy rights to students related to educational records. This information can be found in the College Catalog, at the Registration & Records Office in Building 015 or on the Florida Gateway College website (www.fgc.edu/students/registration-and-records/ferpa/).

SACSCOC Statement

Florida Gateway College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award baccalaureate and associate degrees. Florida Gateway College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Florida Gateway College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

Honorlock Statement

Florida Gateway College has partnered with Honorlock, an online testing proctoring service. If off-campus remote proctoring is required during any course, Honorlock will be the online proctoring service that allows you to take your exam. You DO NOT need to create an account, download software or schedule an appointment in advance. Honorlock is available 24/7 and all that is needed is a computer, a working webcam, and a stable Internet connection.

To get started, you will need to download the Honorlock Chrome Extension using Google Chrome. You can download the extension on the Honorlock website (www.honorlock.com/install/extension/). When you are ready to test, log into the LMS, go to your course, and click on your exam. Clicking Launch Proctoring will begin the Honorlock authentication process, where you will take a picture of yourself, show your ID, and complete a scan of your room. Honorlock will be recording your exam session by webcam as well as recording your screen. Honorlock also has an integrity algorithm that can detect search-engine use, so please do not attempt to search for answers, even if it's on a secondary device.

Honorlock support is available 24/7/365. If you encounter any issues, you may contact Honorlock by live chat, by phone at 844-243-2500, and/or by email at support@honorlock.com.

If you encounter a Canvas issue, please contact Canvas via the Canvas Help menu or by clicking the Canvas Support link within your course(s).

Turnitin Statement

Instructors may require writing assignments to be submitted to Turnitin when uploaded to Canvas. Turnitin is an internet-based service that looks for similarities and potential plagiarism by comparing your assignment submissions with its massive database of student work (including previous student submissions at Florida Gateway College), the Internet, and its entire archive, books, and journal and reference publications. Turnitin generates a [similarity report](#).

which can help you and your instructor determine whether you used sources fairly and ethically, cited correctly, and paraphrased effectively.

You are encouraged to submit your written work to Turnitin prior to assignment deadlines, whether through Canvas or [Draft Coach](#). If needed, that would allow you time to review the [library's research and help guides](#) or seek writing assistance from your instructor or a tutor in the Student Success Center.

Mission Statement

The mission of Florida Gateway College is to provide superior instruction, nurture individual development, foster career readiness, and enrich the diverse communities it serves through affordable, quality higher education programs and lifelong learning opportunities.
