Student Expectations

Attendance

Since our class is entirely online, attendance is measured by your online presence in our Canvas classroom. Should your grade in the class start declining, I will alert your advisor to the situation, and they will reach out to you.

Courtesy and Student Conduct Code

Inappropriate, disruptive, and/or insulting behavior will not be tolerated in this class. If I feel that a student is acting in a manner not suiting the conduct guidelines in the student handbook, I will remove the student. This includes any online portion of the class; often when students post on Canvas, they forget that actual people will be reading their comments. Remember to treat your peers with the respect that you wish to receive yourself. Peers are valuable tools in your education. I reserve the right to have a student withdrawn or to assign an early grade to any student enrolled in my courses.

Late Work

When you submit an assignment past the due date, Canvas will assign a zero, and I will have to manually remove this zero when I grade your assignment. I will extend to you a three-day grace period for all assignments, which means that you may submit work three days past the original due date without incurring a late penalty. After these three days have passed, however, you will incur a late penalty of 10% per day the assignment is late, and the assignment will lock one week past the original due date.

*****Exception: The three-day grace period for late work will not apply to the final two weeks of our course.***

AI and Similarity Policy

Every assignment in this course will be subject to Turnitin inspection. Essays and other written assignments should not generate an AI likelihood or similarity report that exceeds 20%. The following penalties will be imposed on assignment submissions that generate AI likelihood or similarity reports that are at least 20%:

- 21% -25% AI likelihood and/or similarity reports = 20-point deduction.
- 26%-50% AI likelihood and/or similarity reports = 50-point deduction.
- More than 50% AI likelihood and/or similarity reports = 0 for assignment and reporting to Academic Dean.

If you are observed using AI 2 times over the course of the semester, the consequences are as follows:
1) Your overall grade in the course will be lowered one (1) letter grade, and 2) Your actions will be reported to the Academic Dean.

Assignment Submission Policy

Unless otherwise indicated, all assignments (excluding rough and final drafts of formal essays) should be submitted in the appropriate Assignment Drop Boxes. For each formal essay assignment, all rough drafts will be turned in, along with the final drafts, in electronic format to the appropriate Canvas drop boxes; these submissions will be figured into your grade for each assignment. Failure to submit rough draft(s) and workshop drafts means that the best grade a paper can earn is a “B.” All electronic files should be submitted in MS Word format (.doc or .docx) or RTF format (NO .odt, .PAGES or .GDOC files—if you use OpenOffice, Pages, or Google Docs, make sure to save it to one of the appropriate formats.), and should follow the naming convention Assignment+LastName+FirstInitial (So my draft of Paper 2 would be Paper2DraftHendersonJ.docx).

Grading Policies (Student Performance Measures)

Returning Grades

I will grade most assignments within one week of the due date. For more expansive assignments, I will return them within two weeks. This gives me ample time to provide constructive, useful feedback to help you progress and grow as a student in this course.

Student Support and Tech Needs

This course requires students to have access to a computer and the internet. For those students who do not own a computer, computer labs are available on the FGC campus and in public libraries. Students without home internet service can come to the FGC campus, go to local public libraries, coffee shops, etc.

Twice during the semester, we provide instructors with the opportunity to ALERT students of their course progress. This is done through the FGC Wolves email account. Students may receive an email stating their success may be at risk in a specific course. If you receive this email, DO NOT PANIC. Please contact your instructor directly, your academic advisor, and the SSC. Your instructor's information is provided in the email.

Navigate Student is a mobile app designed to support students during their academic careers at FGC. Navigate Student is the ultimate student resource that acts as a personal advisor and provides students with the information they need, when they need it. Additionally, students may make an appointment with an advisor, view campus events, be alerted on important to-do's, view class schedules, explore their major, and much more.

Please do not allow yourself to struggle. We are here to help you achieve success. The mission of the SSC is to help encourage and promote your educational journey here at FGC and beyond.

Class Recording

A student shall not make a recording in class unless the recording is limited to the class lecture, and

1. the recording is made for the student's personal educational use,
2. in connection with a complaint to the college, **or**
3. as evidence in or in preparation for a criminal or civil proceeding.

Students are not permitted to record in class, through any means over any medium, any academic or other activity that is not a class lecture. A recording of any meeting or conversation between students, or between students and faculty, is strictly prohibited unless all parties have consented to such recording. A recording of a class lecture may not be published without the prior express written consent of the recorded faculty member.

Under Students and the Complaints & Appeals section (<https://www.fgc.edu/students/complaints-and-appeals/>), information regarding policy, procedure, and forms related to these topics is provided.

College Course Withdrawal and Drop Process

A course may be dropped only during the published add/drop period. After add/drop, students must withdrawal from their course. Please visit the [College Catalog](#) for more detailed information about the drop and withdrawal process.

Students are responsible for withdrawing by the published deadline. Students must allow sufficient time for the process to be completed. **The fully approved withdrawal form is due to Registration & Records by 4:30 p.m. on the deadline posted on the [Academic Calendar](#) or it is considered late.**

To withdraw from a course, the following steps must take place:

1. The student will log in to MyFGC and navigate to the Withdrawal form.
2. First, click the Student tab; next click Registration; and then click Course Withdrawal Form.
3. The student will enter the course information, the instructor's email address, and the advisor's name and email address. Once all information is entered, submit the form.
4. The form then routes directly to the instructor for approval and the last date of attendance. Once the instructor has completed their portion, the form will route to the advisor.
5. The advisor will complete their portion of the form and submit.
6. The form then routes to Registration & Records for processing. The student will receive an email notification to their FGC Wolves email account once this step is completed.
7. If the form is denied, the student will be notified by email and should contact the advisor with any questions.

Students are strongly encouraged to begin the withdrawal process the day **before** the withdrawal deadline to allow sufficient time for the process to be completed by all offices involved (Instructor, Advising Services, Financial Aid, Registration & Records).

It is the student's responsibility to understand all financial and academic implications of the withdrawal. Students are permitted a maximum of two (2) withdrawals per course. Upon the third attempt, a student must receive a grade for the course. Absence from class or merely notifying the professor does not constitute withdrawal. A student who stops attending class without withdrawing will receive a grade from the instructor.

Incompletes

Incomplete grades are reserved for students who are unable to complete a course and the withdrawal date has passed. A student should only be issued an incomplete if at least 75% of the course assignments have been submitted and the student can reasonably complete the remaining assignments **within the first three weeks** of the next term to earn a passing overall grade. Otherwise, students should be issued the earned letter grade in the course at the end of the current term.

The **Incomplete Grade Request Form** must be completed and submitted for approval by the **FIRST day of Final Exams and BEFORE** issuing the "I" grade. The instructor will describe the circumstances leading up to the requested "I" for the course, and list the missing assignments, quizzes, exams, and any other course requirements needed to satisfactorily complete the course **within the first three weeks** of the next term. The form must be signed by the instructor, student, and the Dean/Executive Director over the program. Once all participants have signed, an approval email will be sent to the instructor for authorization to assign the "I" grade.

All written communication (in email correspondence, discussion forums, assignments, quizzes and exams, etc.) must use proper written English. Instructors may require writing assignments to be submitted to Turnitin when uploaded to Canvas. Turnitin is an internet-based service that looks for similarities and potential plagiarism by comparing your assignment submissions with its massive database of student work (including previous student submissions at Florida Gateway College), the Internet, and its entire archive, books, and journal and reference publications. Turnitin generates a [similarity report](#), which can help you and your instructor determine whether you used sources fairly and ethically, cited correctly, and paraphrased effectively.

You are encouraged to submit your written work to Turnitin prior to assignment deadlines, whether through Canvas or [Draft Coach](#). If needed, that would allow you time to review the [library's research and help guides](#) or seek writing assistance from your instructor or a tutor in the Student Success Center.
