Student Expectations

Attendance

A student's acquisition of learning outcomes is tied to attendance. Excessive absences guarantee that a student has not had minimal exposure to enough of the college-required outcomes to receive credit for the course. As such, missing more than four class periods (two full weeks of class) will likely lead to an F grade. You should always inform me, ahead of time when possible, about why you miss class. Save your absences for when you get sick (and you will) or for emergencies. Note: The roll book is the official record of your presence; if your name is not on the list, I have no choice but to assume you were not present. It is YOUR responsibility to check in with me if you come in after roll has been called.

Courtesy and Student Conduct Code

Inappropriate, disruptive, and/or insulting behavior will not be tolerated in this class. If I feel that a student is acting in a manner not suiting the conduct guidelines in the student handbook, I will remove the student. This includes any online portion of the class; often times when students are posting on Canvas, they forget that actual people will be reading their comments. Remember to treat your peers with the respect that you wish to receive yourself. Peers are valuable tools in your education. I reserve the right to have a student withdrawn or to assign an early grade to any student enrolled in my courses.

Late Work

Students may submit work up to two days late, with a penalty of one letter grade per day late. Beyond that, late work will not be accepted without prior arrangement with the professor.

Assignment Submission Policy

Unless otherwise indicated, all assignments (excluding rough and final drafts of formal essays) should be submitted as comments in the appropriate Assignment Drop Boxes. For each formal essay assignment, all rough drafts will be turned in, along with the final drafts, in electronic format to the appropriate Canvas drop boxes; these submissions will be figured into your grade for each assignment.

Failure to submit rough draft(s) and workshop drafts means that the best grade a paper can earn is a “B.” All electronic files should be submitted in MS Word format (.doc or .docx) or RTF format (**NO .odt, .PAGES or .GDOC files—if you use OpenOffice, Pages, or Google Docs, make sure to save it to one of the appropriate formats.**), and should follow the naming convention Assignment+LastName+FirstInitial (So my draft of Paper 2 would be Paper2DraftApplingT.docx).

Grading Policies (Student Performance Measures)

Learning Activities

The average of formal essay final drafts = **40% of your final grade**

Students will compose and revise four formal essays over the course of the semester, turning in a minimum of three drafts for each paper—the initial draft, the workshop draft, and the final polished version. Grading will focus on organization and structure, thesis, amount of revision, and grammatical/ mechanical correctness.

The average of informal short writings, journals, & drafts = **30% of your final grade**

This includes in-class lists and paragraphs at the beginning of class, proofreading exercises, as well as workshop notes and other group and individual writings.

Quizzes (You will be allowed to drop the lowest of each category) = **15% of your final grade**

There will be two categories of quizzes, reading and grammar/mechanics, and both will be taken online.

Final exam = **10% of your final grade**

In the final exam, the student will demonstrate a mastery of course objectives in both short-answer and long-form responses.

Participation/Attendance= **5% of your final grade**

Active participation means that the student will be prepared, having done any required readings and assignments ON TIME, as well as having all necessary materials. Participation also includes meaningful contribution to class discussions, whether in individual, small-group, discussion board, or full-class forums.

Grading Scale

A – 90% - 100% **B** – 80% - 89.9% **C** – 70% - 79.9% **D** – 60% - 69.9%
F – 59.9% or below

Returning Grades

I will grade most assignments within one week of the due date. For more expansive assignments, I will return them within two weeks. This gives me ample time to provide constructive, useful feedback to help you progress and grow as a student in this course.

Student Support and Tech Needs

This course requires students to have access to a computer and the internet. For those students who do not own a computer, computer labs are available on the FGC campus and in public libraries. Students without internet can come to the FGC campus, go to local public libraries, coffee shops, etc.

Minimal technical skills require for this course include the ability to use Microsoft Office products and navigate the Internet.

The SSC initiates student progress reports to the entire campus through EAB Navigate. EAB Navigate is an early-alert tool designed to identify students who may be susceptible to falling behind in their course before they actually do.

Twice during the semester, we provide instructors with the opportunity to ALERT students of their course progress. This is done through the FGC Wolves email account. Students may receive an email stating their success may be at risk in a specific course. If you receive this email, DO NOT PANIC. Please contact your instructor directly, your academic advisor, and the SSC. Your instructor's information is provided in the email.

Navigate Student is a mobile app designed to support students during their academic careers at FGC. Navigate Student is the ultimate student resource that acts as a personal advisor and provides students with the information they need, when they need it. Additionally, students may make an appointment with an advisor, view campus events, be alerted on important to-do's, view class schedules, explore their major, and much more.

Please do not allow yourself to struggle. We are here to help you achieve success. The mission of the SSC is to help encourage and promote your educational journey here at FGC and beyond.

Class Recording

A student shall not make a recording in class unless the recording is limited to the class lecture, and

1. the recording is made for the student's personal educational use,
2. in connection with a complaint to the college, **or**
3. as evidence in or in preparation for a criminal or civil proceeding.

Students are not permitted to record in class, through any means over any medium, any academic or other activity that is not a class lecture. A recording of any meeting or conversation between students, or between students and faculty, is strictly prohibited unless all parties have consented to such recording. A recording of a class lecture may not be published without the prior express written consent of the recorded faculty member.

Academic Appeal; Grievances; General Complaint

If a student wishes to file an academic appeal, grievance, or general complaint, please visit the college's website. Under Students and the Complaints & Appeals section (<https://www.fgc.edu/students/complaints-and-appeals/>), information regarding policy, procedure, and forms related to these topics is provided.

College Course Withdrawal and Drop Process

A course may be dropped only during the published add/drop period. After add/drop, students must withdrawal from their course. Please visit the [College Catalog](#) for more detailed information about the drop and withdrawal process.

Students are responsible for withdrawing by the published deadline. Students must allow sufficient time for the process to be completed. **The fully approved withdrawal form is due to Enrollment Services by 4:30 p.m. on the deadline posted on the [Academic Calendar](#) or it is considered late.**

To withdraw from a course, the following steps must take place:

1. The student obtains the instructor's authorization and last date of attendance in person or via email.
2. The student meets with an academic advisor, who will sign the form (Building 14). Or, if an online student, emails the advisor a statement requesting a withdrawal from the course. The email must include the instructor's email with the last date of attendance.
3. The advisor will complete a withdrawal form, attach the emails from the student and instructor in lieu of signatures and forward the form to Financial Aid.
4. A Financial Aid representative will complete and sign the form and forward the form to Enrollment Services to be processed.

Students are strongly encouraged to begin the withdrawal process the day **before** the withdrawal deadline to allow sufficient time for the process to be completed by all offices involved (Instructor, Advising Services, Financial Aid, Enrollment Services).

It is the student's responsibility to understand all financial and academic implications of the withdrawal. Students are permitted a maximum of two (2) withdrawals per course. Upon the third attempt, a student must receive a grade for the course. Absence from class or merely notifying the professor does not constitute withdrawal. A student who stops attending class without withdrawing will receive a grade from the instructor.

Incompletes

Incomplete grades are reserved for students who are unable to complete a course and the withdrawal date has passed. A student should only be issued an incomplete if at least 75% of the course assignments have been submitted and the student can reasonably complete the remaining assignments **within the first three weeks** of the next term to earn a passing overall grade. Otherwise, students should be issued the earned letter grade in the course at the end of the current term.

The **Incomplete Grade Request Form** must be completed and submitted for approval by the **FIRST day of Final Exams and BEFORE** issuing the "I" grade. The instructor will describe the circumstances leading up to the requested "I" for the course, and list the missing assignments, quizzes, exams, and any other course requirements needed to satisfactorily complete the course **within the first three weeks** of the next term. The form must be signed by the instructor, student, and the Dean/Executive Director over the program. Once all participants have signed, an approval email will be sent to the instructor for authorization to assign the "I" grade.

Student Communication Standards

You are expected to communicate in a professional and respectful tone with the instructor and fellow classmates. All written communication (in email correspondence, discussion forums, assignments,

quizzes and exams, etc.) must use proper written English. Please refrain from using online and texting abbreviations and language. Oral communications, if applicable, must be made with a respectful tone and body language. Use proper [netiquette](#) throughout!

To get started, you will need to download the Honorlock Chrome Extension using Google Chrome. You can download the extension on the Honorlock website (www.honorlock.com/install/extension/). When you are ready to test, log into the LMS, go to your course, and click on your exam. Honorlock will be recording your exam session by webcam as well as recording your screen. Honorlock also has an integrity algorithm that can detect search-engine use, so please do not attempt to search for answers, even if it's on a secondary device.

Honorlock support is available 24/7/365. If you encounter any issues, you may contact Honorlock by live chat, by phone at 844-243-2500, and/or by email at support@honorlock.com.
