Student Expectations

Attendance

This class is an online course. Class runs on a rate of Monday to Sunday. Attendance is measured by the participation in weekly, timely completion of assignments. If you need to withdraw or stop participating for whatever reason, your date of last attendance will be marked as the date of the last assignment submission.

Courtesy and Student Conduct Code

Complete and submit all assignments on time.

Update personal information on Canvas (most importantly your email address).

Visit the course site multiple times per week to complete work and remain apprised of announcements.

Read over all of the posted materials including all handouts and assignment descriptions (These are key to understanding assignments and course standards such as MLA and essay topics. I do not post this material to give you more to read—I post it so you understand how I will evaluate you. I will evaluate all of your writing with the understanding that you have read over all of the material that I have posted).

Post questions about the course on the discussion board so all students can learn from the answers.

Since the class does not meet during the week like a traditional course, you should realistically expect to spend 10-15 hours a week on the class (including reading, writing, responding, posting, etc.).

Late Work

Students will have 7 calendar days to complete an assignment with no penalty. After the 7th calendar day past the due date, assignments will be penalized at a rate of one letter grade per week.

Rubric Grading and Assignment Feedback

All final drafts are graded using a rubric unique to each assignment. Grades in Canvas are posted according to the score received using the rubric for the assignment. You are expected to use the rubric to gauge your performance on an assignment. Detailed feedback will be provided on final drafts of assignments. If you would like more detailed feedback on your assignments or performance overall, please message me via Canvas and we can arrange a Microsoft Teams meeting to go over your work. ***Please read any provided feedback on assignments before contacting me with questions about the grade you received.***

Grading Policies (Student Performance Measures)

Learning Activities

Major Assignments(70%): This includes all final versions of assignments that are assigned throughout the term. To receive top marks on a final draft, it needs to be apparent that you followed prescribed feedback and input both from the instructor and on your peer reviews for each assignment.

Assignments (20%): This category includes several shorter, written assignments that do not receive peer reviews and our weekly class discussion topics. The journal entries will relate to whatever unit we are working on at the time, and discussion boards will be based off assigned readings and topics for the week. DB posts are due in their entirety on the Sunday of every week.

Drafts and Peer Reviews (10%): Each rough draft and revision draft of an assignment are expected to be completed. Part of your rough drafts and revisions assignment will include completing a peer-review form to be submitted as an assignment and to the student whose work you are reviewing for the assignment.

Grading Scale

- A – 90% - 100%
- B – 80% - 89.9%
- C – 70% - 79.9%
- D – 60% - 69.9%
- F – 59.9% or below

Returning Grades

I will grade most assignments within one week of the due date. For more expansive assignments, I will return them within two weeks. This gives me ample time to provide constructive, useful feedback to help you progress and grow as a student in this course.

Student Support and Tech Needs

This course requires students to have access to a computer and the internet. For those students who do not own a computer, computer labs are available on the FGC campus and in public libraries. Students without internet can come to the FGC campus, go to local public libraries, coffee shops, etc.

Twice during the semester, we provide instructors with the opportunity to ALERT students of their course progress. This is done through the FGC Wolves email account. Students may receive an email stating their success may be at risk in a specific course. If you receive this email, DO NOT PANIC. Please contact your instructor directly, your academic advisor, and the SSC. Your instructor's information is provided in the email.

Navigate Student is a mobile app designed to support students during their academic careers at FGC. Navigate Student is the ultimate student resource that acts as a personal advisor and provides students with the information they need, when they need it. Additionally, students may make an appointment with an advisor, view campus events, be alerted on important to-do's, view class schedules, explore their major, and much more.

Please do not allow yourself to struggle. We are here to help you achieve success. The mission of the SSC is to help encourage and promote your educational journey here at FGC and beyond.

Class Recording

A student shall not make a recording in class unless the recording is limited to the class lecture, and

1. the recording is made for the student's personal educational use,
2. in connection with a complaint to the college, **or**
3. as evidence in or in preparation for a criminal or civil proceeding.

Students are not permitted to record in class, through any means over any medium, any academic or other activity that is not a class lecture. College Course Withdrawal and Drop Process

A course may be dropped only during the published add/drop period. After add/drop, students must withdrawal from their course. Please visit the [College Catalog](#) for more detailed information about the drop and withdrawal process.

Students are responsible for withdrawing by the published deadline. Students must allow sufficient time for the process to be completed. **The fully approved withdrawal form is due to Registration & Records by 4:30 p.m. on the deadline posted on the [Academic Calendar](#) or it is considered late.**

To withdraw from a course, the following steps must take place:

1. The student will log in to MyFGC and navigate to the Withdrawal form.
2. First, click the Student tab; next click Registration; and then click Course Withdrawal Form.
3. The student will enter the course information, the instructor's email address, and the advisor's name and email address. Once all information is entered, submit the form.
4. The form then routes directly to the instructor for approval and the last date of attendance. Once the instructor has completed their portion, the form will route to the advisor.
5. The advisor will complete their portion of the form and submit.
6. The form then routes to Registration & Records for processing. The student will receive an email notification to their FGC Wolves email account once this step is completed.
7. If the form is denied, the student will be notified by email and should contact the advisor with any questions.

Students are strongly encouraged to begin the withdrawal process the day **before** the withdrawal deadline to allow sufficient time for the process to be completed by all offices involved (Instructor, Advising Services, Financial Aid, Registration & Records).

It is the student's responsibility to understand all financial and academic implications of the withdrawal. Students are permitted a maximum of two (2) withdrawals per course. Upon the third attempt, a student must receive a grade for the course. Absence from class or merely notifying the professor does not constitute withdrawal. A student who stops attending class without withdrawing will receive a grade from the instructor.

Incompletes

Incomplete grades are reserved for students who are unable to complete a course and the withdrawal date has passed. A student should only be issued an incomplete if at least 75% of the course assignments have been submitted and the student can reasonably complete the remaining assignments **within** the first three weeks of the next term to earn a passing overall grade. Otherwise, students should be issued the earned letter grade in the course at the end of the current term.

The **Incomplete Grade Request Form** must be completed and submitted for approval by the **FIRST** day of Final Exams and **BEFORE** issuing the "I" grade. The instructor will describe the circumstances leading up to the requested "I" for the course, and list the missing assignments, quizzes, exams, and any other course requirements needed to satisfactorily complete the course **within** the first three weeks of the next term. The form must be signed by the instructor, student, and the Dean/Executive Director over the program. Once all participants have signed, an approval email will be sent to the instructor for authorization to assign the "I" grade.

You are expected to communicate in a professional and respectful tone with the instructor and fellow classmates. All written communication (in email correspondence, discussion forums, assignments, quizzes and exams, etc.) must use proper written English. Please refrain from using online and texting abbreviations and language. Oral communications, if applicable, must be made with a respectful tone and body language.
