Student Expectations

Attendance

Weekly participation in this course is mandatory, meaning that you should complete each module's assignments by their posted due date(s). Failure to participate on a weekly basis will have a negative impact on your understanding of the material and overall success in the course.

Courtesy and Student Conduct Code

You are expected to communicate in a professional and respectful tone with the instructor and fellow classmates. All written communication (in email correspondence, discussions, assignments, quizzes and exams, etc.) must use proper written English. Please refrain from using online and texting abbreviations and language. Oral communications, if applicable, must be made with a respectful tone and body language. Use proper netiquette, as detailed in Canvas, throughout!

PLEASE NOTE: I will not respond to any type of communication that is sent in obvious anger, is blatantly disrespectful, or includes vulgar language. Further, if warranted, I will forward your message to the Dean of Academic Programs for review. If you are upset about a grade or other course issue, please wait to contact me until you are able to do so calmly, logically, and respectfully. I will always do the same for you!

Late Work

Assignments will not be accepted late without penalty, except in the case of documented medical issues and/or family emergencies. In most cases, the penalty will be 10% of the highest possible grade for the assignment per day that it is late. Neither lectures nor discussions may be submitted after their closing dates, however, as they are considered "live" class participation. It is your responsibility to contact me ASAP to discuss *your* situation. I reserve the right to make the final decision regarding the submission and acceptance of any missed or late work.

Gordon Rule Requirement

This course is a Gordon Rule course. In accordance with the State of Florida's Rule 6A-10.030, all courses designated as Gordon Rule ("GR") in the college catalog will include the requirement that students demonstrate the ability to produce college-level, discipline-based writings. Such courses include, but are not limited to, those in the Communications, Humanities, and Social Sciences categories. This requirement will be met in each class through the student's successful completion of multiple and substantive college-level writing assignments as designed and assessed by the instructor in such a way as to measure both course-specific learning and development of writing skills over the progress of a given semester. In addition to demonstrating a satisfactory understanding of the written English language, all such assignments submitted by a student should exhibit critical thinking skills and be directly related to the discipline's specific General Learning Outcome(s).

PLEASE NOTE: You must earn a passing grade on the combined designated writing assignments (see below) in order to be eligible to earn a passing grade in the course, regardless of your grades on other assignments. As such, you are strongly encouraged to concentrate on your writing in this course!

Outside Research & AI

The only material that you may use for this course are the course textbook and those provided in Canvas. Such major course assignments as discussions, essays, and presentations rely primarily on your opinion and critical thinking skills, making outside research unnecessary. Further, since this is a *humanities* course focused on human intellect, ability, and creativity, the use of artificial intelligence (AI)—including ChatGPT, Copilot, Grammarly, etc.—runs contrary to the spirit of this course. For these reasons, the unauthorized use of both outside research and AI in this course is prohibited and will be treated as academic dishonesty (cheating).

Grading Policies (Student Performance Measures)

Learning Activities

This course includes several different types of graded assessments, as listed in the above *Schedule of Class Events*. Each assessment type (and its value for the total assignments of that type) is summarized below, with specific instructions for each individual assignment being provided in Canvas.

- **Lectures, Exams, etc. (20%):** Formative assessments of various types in which you will gain and/or display learning of the respective material.
- **Discussions (20%):** Formative writing-based assessments in which you will discuss the respective material with your classmates and instructor.
- **Analyses (20%):** Formative writing-based assessments (essays) in which you will analyze and provide your opinion about specific arts and ideas.
- **Evaluations (20%):** Summative multimedia assessments (presentations) in which you will evaluate how specific arts and ideas express relationships.
- **Course Project (20%):** Summative course-based multimedia assessment in which you will demonstrate your understanding of the Cultural Awareness GLO.

Extra Credit: While extra credit opportunities *may* be offered to the entire class, they are not guaranteed and should not be relied on for your success in this course. Requests for individual extra credit will not be granted.

PLEASE NOTE: Any indication of academic dishonesty in this course (including the unauthorized use of AI) will be dealt with severely, with the first instance allowing you to resubmit the assignment with a 20% penalty. Any further instances will result in a "0" for each assignment without the ability to resubmit. In situations where academic dishonesty on an assignment is strongly suspected but cannot be clearly proven, you may be required to redo the assignment under the supervision of Honorlock or the FGC Testing Center.

Grading Scale

- A – 90% - 100%
- B – 80% - 89.9%
- C – 70% - 79.9%
- D – 60% - 69.9%
- F – 59.9% or below

Returning Grades

I will grade most assignments within one week of the due date. For more expansive assignments, I may require two weeks. This will give me ample time to provide constructive, useful feedback to help you progress and grow as a student in this course. Once an assignment's grades are released, check your grade, read my comments (if provided), and let me know immediately if you have any questions or concerns. With very few exceptions, each assignment's grades will be finalized and unchangeable a week after they are posted.

Student Support and Tech Needs

This course requires students to have access to a computer and the internet. For those students who do not own a computer, computer labs are available on the FGC campus and in public libraries. Students without internet can come to the FGC campus, go to local public libraries, coffee shops, etc. Minimal technical skills required for this course include the ability to use Microsoft Office products and navigate the Internet.

Twice during the semester, we provide instructors with the opportunity to ALERT students of their course progress. This is done through the FGC Wolves email account. Students may receive an email stating their success may be at risk in a specific course. If you receive this email, DO NOT PANIC. Please contact your instructor directly, your academic advisor, and the SSC. Your instructor's information is provided in the email.

Navigate Student is a mobile app designed to support students during their academic careers at FGC. Navigate Student is the ultimate student resource that acts as a personal advisor and provides students with the information they need, when they need it. Additionally, students may make an appointment with an advisor, view campus events, be alerted on important to-do's, view class schedules, explore their major, and much more.

Please do not allow yourself to struggle. We are here to help you achieve success. The mission of the SSC is to help encourage and promote your educational journey here at FGC and beyond.

Class Recording

A student shall not make a recording in class unless the recording is limited to the class lecture, and

1. the recording is made for the student's personal educational use,
2. in connection with a complaint to the college, **or**
3. as evidence in or in preparation for a criminal or civil proceeding.

Students are not permitted to record in class, through any means over any medium, any academic or other activity that is not a class lecture. A recording of any meeting or conversation between students, or between students and faculty, is strictly prohibited unless all parties have consented to such recording. A recording of a class lecture may not be published without the prior express written consent of the recorded faculty member.

Academic Appeal; Grievances; General Complaint

If a student wishes to file an academic appeal, grievance, or general complaint, please visit the college's website. Under Students and the Complaints & Appeals section (<https://www.fgc.edu/students/complaints-and-appeals/>), information regarding policy, procedure, and forms related to these topics is provided.

College Course Withdrawal and Drop Process

A course may be dropped only during the published add/drop period. After add/drop, students must withdraw from their course. Please visit the [College Catalog](#) for more detailed information about the drop and withdrawal process.

Students are responsible for withdrawing by the published deadline. Students must allow sufficient time for the process to be completed. **The fully approved withdrawal form is due to Enrollment Services by 4:30 p.m. on the deadline posted on the [Academic Calendar](#) or it is considered late.**

To withdraw from a course, the following steps must take place:

1. The student obtains the instructor's authorization and last date of attendance in person or via email.
2. The student meets with an academic advisor, who will sign the form (Building 14). Or, if an online student, emails the advisor a statement requesting a withdrawal from the course. The email must include the instructor's email with the last date of attendance.
3. The advisor will complete a withdrawal form, attach the emails from the student and instructor in lieu of signatures and forward the form to Financial Aid.
4. A Financial Aid representative will complete and sign the form and forward the form to Enrollment Services to be processed.

Students are strongly encouraged to begin the withdrawal process the day **before** the withdrawal deadline to allow sufficient time for the process to be completed by all offices involved (Instructor, Advising Services, Financial Aid, Enrollment Services).

It is the student's responsibility to understand all financial and academic implications of the withdrawal. Students are permitted a maximum of two (2) withdrawals per course. Upon the third attempt, a student must receive a grade for the course. Absence from class or merely notifying the professor does not constitute withdrawal. A student who stops attending class without withdrawing will receive a grade from the instructor.

Incompletes

Incomplete grades are reserved for students who are unable to complete a course and the withdrawal date has passed. A student should only be issued an incomplete if at least 75% of the course assignments have been submitted and the student can reasonably complete the remaining assignments **within the first three weeks** of the next term to earn a passing overall grade. Otherwise, students should be issued the earned letter grade in the course at the end of the current term.

The **Incomplete Grade Request Form** must be completed and submitted for approval by the **FIRST day of Final Exams and BEFORE** issuing the "I" grade. The instructor will describe the circumstances leading up to the requested "I" for the course, and list the missing assignments, quizzes, exams, and any other course requirements needed to satisfactorily complete the course **within the first three weeks** of the next term. The form must be signed by the instructor, student, and the Dean/Executive Director over the program. Once all participants have signed, an approval email will be sent to the instructor for authorization to assign the "I" grade.

Student Communication Standards

You are expected to communicate in a professional and respectful tone with the instructor and fellow classmates. All written communication (in email correspondence, discussion forums, assignments, quizzes and exams, etc.) must use proper written English. Please refrain from using online and texting abbreviations and language. Oral communications, if applicable, must be made with a respectful tone and body language. Use proper [netiquette](#) throughout!

Academic Honesty

At Florida Gateway College, we value the development of critical thinking, effective communication, and academic growth. To ensure fairness and uphold the principles of academic integrity, any instances of academic dishonesty (i.e., cheating, plagiarism, bribery, misrepresentation, fabrication, unauthorized use of AI technologies, etc.) are not permitted and will be dealt with severely. Students should make themselves aware of the student code of conduct found in the Student Handbook. We believe in your ability to think critically and develop your own unique perspectives. By adhering to these guidelines and committing to the principles of academic integrity, you will not only enhance your learning experience, but also foster an environment of trust and respect within our academic community.

Use of AI Technologies

The use of AI technologies to generate or assist in the creation and completion of assignments is strictly prohibited, unless explicitly allowed by the instructor as described in the course syllabus. It is your responsibility to read this thoroughly and carefully at the beginning of the semester.

Your assignments should reflect your own thoughts, analysis, and original work. Florida Gateway College employs the use of AI detection tools to assess the authenticity of your assignments. These tools are designed to identify instances of cheating and plagiarism, including the use of AI technologies. Any submissions that violate this policy will be subject to disciplinary action. If you have any questions or concerns regarding the use of AI technologies in your courses, please review your course syllabus or reach out to your instructor for clarification.

Honorlock will be recording your exam session by webcam as well as recording your screen. Honorlock also has an integrity algorithm that can detect search-engine use, so please do not attempt to search for answers, even if it's on a secondary device.

Honorlock support is available 24/7/365. If you encounter any issues, you may contact Honorlock by live chat, by phone at 844-243-2500, and/or by email at support@honorlock.com.

Instructors may require writing assignments to be submitted to Turnitin when uploaded to Canvas. Turnitin is an internet-based service that looks for similarities and potential plagiarism by comparing your assignment submissions with its massive database of student work (including previous student submissions at Florida Gateway College), the Internet, and its entire archive, books, and journal and reference publications. Turnitin generates a [similarity report](#), which can help you and your instructor determine whether you used sources fairly and ethically, cited correctly, and paraphrased effectively.

You are encouraged to submit your written work to Turnitin prior to assignment deadlines, whether through Canvas or [Draft Coach](#). If needed, that would allow you time to review the [library's research and help guides](#) or seek writing assistance from your instructor or a tutor in the Student Success Center.
