Student Expectations

Gordon Rule Requirement

This course is a Gordon Rule course. In accordance with the State of Florida’s Rule 6A-10.030, all courses designated as Gordon Rule (“GR”) in the college catalog will include the requirement that students demonstrate the ability to produce college-level, discipline-based writings. Such courses include, but are not limited to, those in the Communications, Humanities, and Social Sciences categories. This requirement will be met in each class through the student’s successful completion of multiple and substantive college-level writing assignments as designed and assessed by the instructor in such a way as to measure both course-specific learning and development of writing skills over the progress of a given semester. In addition to demonstrating a satisfactory understanding of the written English language, all such assignments submitted by a student should exhibit critical thinking skills and be directly related to the discipline’s specific General Learning Outcome(s). **In this course, students will write at least 3500 words, with these writing assignments making up 40% of the graded activities for this course.**

AI Use Policy

I expect all work you submit in this class to be your own original writing. The use of Artificial Intelligence (AI) tools must follow these guidelines:

Permitted Uses

- **Grammar & Spelling Assistance:** You may use Grammarly or similar tools *only* for correcting grammar, spelling, and punctuation.
- **Research:** You may use AI tools such as ChatGPT in the same way you might use Google — for finding information, brainstorming ideas, or clarifying concepts — but **not** for generating your written answers.

Prohibited Uses

- **No AI-Written Submissions:** Copying and pasting text generated by AI into your assignments and submitting it as your own work is strictly prohibited. This includes paraphrased or reworded AI-generated text.
- **No AI-Generated Drafting:** AI tools may not be used to compose or structure your full written answers for discussion posts, essays, or other assignments.

Using AI beyond the allowed purposes above is considered **cheating/academic dishonesty** under the institution’s academic integrity policy. Violations will result in a grade penalty and may be reported for further disciplinary action.

Grading Policies (Student Performance Measures)

- **Student Participation (15%)** – Your participation in this class will be measured in three areas- lecture quizzes, chapter quizzes, and two discussion boards.
 - Each module, you will watch a *short video lecture*, during which you will be asked questions about the material presented (10%). These “quizzes” are open-note/book and are meant to grade your participation in the class.
 - There is also a 10-question, multiple-choice and true-false *chapter quiz* you’ll take (5%). These questions are focused on concepts that might appear on the FCLE.
- **Discussion Board/Writing Assignments (25%)** – There are two *writing assignments* and three *discussion board* requirements throughout the course. Failure to meet the word count on any of these assignments will result in an immediate 20% grade deduction.
 - You’ll have to complete two writing assignments (essays) throughout the course with a 750 minimum word count. They are due by Sunday at 11:59pm following the week it is assigned (see Course Schedule for specifics) on Canvas. A more in-depth prompt for each paper will be on Canvas. These prompts will specifically tell you what each paper should include to get full credit.
 - For the discussion boards, you will answer a few questions about the topic for the week (due date is the same as other assignments for the week). Then, you will go back and read other students’ posts. You will then choose two posts to respond to (specifics on what you should focus on and what you will be graded on are in the Discussion Board on Canvas).

If you are retaking this class, you may refer to your previous writing assignments as a starting point; however, you must substantially revise them before submission. Previously graded assignments will not be accepted.

- **Campaign Poster Design (5%)** – Using Canva, you are going to create a campaign poster (could be for yourself, a fictional character, or a public figure) using visuals, themes, and slogans to communicate their political message. Your grade will be based on creativity, originality, and how effectively the poster conveys political ideas. After everyone has submitted their posters, you will reply to two classmates’ posters discussing what you liked and a suggestion for improvement.
- **GLO Essay (15%)** – Towards the end of the semester, you will need to submit your 1,250-word GLO essay, which focuses a reflection on what you’ve learned during the class. Failure to meet the word count on any written assignment will result in an immediate 20% grade deduction.
- **Exams (30%)**
- **FCLE Exam (10%)** – To get credit for this exam, you have to provide proof of your taking (or having already taken) the FCLE exam by uploading a document (or picture of the document) to Canvas by **Friday, 5/1 at 11:59pm**.
 - *Dual enrollment students:* You must take the FCLE with your own high school, which sets their own schedule on when you can take the test. In order to satisfy this requirement, your guidance counselor will sign a document confirming you are scheduled to take the FCLE on a certain date. Upload this document by 5/1 in order to get credit.

When are things due?

Each assignment is due by Sunday at 11:59pm at the week's end unless otherwise noted. For example, Week 1 starts on Monday, January 12th and ends on Sunday, January 18th. All assignments that week are due at 11:59pm that Sunday. Week 2's content begins the following day (Monday).

Late Work

As this is an online class, you have a lot of flexibility within the week to submit your assignments. For instance, you have about three days to take each of the exams. Because of this timeframe, no extensions for exams will be offered.

All other assignments (so, NOT the exams) will be open for 48 hours after the original due date with up to a 20% penalty for late submissions. If there are any issues arise (medical, family, personal) that prevent you from submitting assignments properly and on time, please contact me asap.

Exams: You will take three exams over the course of the semester. Each exam is mandatory and worth 10% of your final grade. These exams will assess your understanding of class and reading material. They are **NOT** open-note or open-book. Each exam will consist of 50 multiple choice and True-False questions. It is imperative to attend and actively participate in all class sessions. Exams will be accessed using Honorlock (With Honorlock- it's not going to ask you to use a webcam or scan the room/ID. It's just going to monitor your browser).

The exams open on Friday at noon and close on Sunday at 11:59pm. Because of this timeframe, no extensions will be offered.

Exam Time Length: The exams, consisting of 50 questions, will be 40 minutes long. Studies show that approximately 45 seconds per question is more than enough time for students who know the material to be able to answer the question. With 40 minutes, you have 48 seconds per question.

At the end of the semester, you have the option to take a cumulative make-up exam. This **OPTIONAL** cumulative exam (covers material from the whole semester) will take the place of your lowest exam grade from the first three exams. If you score lower on the cumulative make-up exam than the other three, then it will not count against you in your final grade.

Grading Scale

- A** – 90% - 100%
- B** – 80% - 89.9%
- C** – 70% - 79.9%
- D** – 60% - 69.9%
- F** – 59.9% or below

Contesting your Grade:

- **Cooling off period:** It is understandable that, at times, you have questions or concerns with regard to a grade you received on one of your exams. That being said, I will not consider any grade related inquiries within the first 48 hours after the grades have been handed out. This 'cooling off'-period provides the opportunity to let the initial emotions subside and think more clearly about the issue at hand.

College Course Withdrawal and Drop Process

A course may be dropped only during the published add/drop period. After add/drop, students must withdrawal from their course. Please visit the [College Catalog](#) for more detailed information about the drop and withdrawal process.

Students are responsible for withdrawing by the published deadline. Students must allow sufficient time for the process to be completed. **The fully approved withdrawal form is due to Registration & Records by 4:30 p.m. on the deadline posted on the [Academic Calendar](#) or it is considered late.**

To withdraw from a course, the following steps must take place:

1. The student will log in to MyFGC and navigate to the Withdrawal form.
2. First, click the Student tab; next click Registration; and then click Course Withdrawal Form.
3. The student will enter the course information, the instructor's email address, and the advisor's name and email address. Once all information is entered, submit the form.
4. The form then routes directly to the instructor for approval and the last date of attendance. Once the instructor has completed their portion, the form will route to the advisor.

5. The advisor will complete their portion of the form and submit.
6. The form then routes to Registration & Records for processing. The student will receive an email notification to their FGC Wolves email account once this step is completed.
7. If the form is denied, the student will be notified by email and should contact the advisor with any questions.

Students are strongly encouraged to begin the withdrawal process the day **before** the withdrawal deadline to allow sufficient time for the process to be completed by all offices involved (Instructor, Advising Services, Financial Aid, Registration & Records).

It is the student's responsibility to understand all financial and academic implications of the withdrawal. Students are permitted a maximum of two (2) withdrawals per course. Upon the third attempt, a student must receive a grade for the course. Absence from class or merely notifying the professor does not constitute withdrawal. A student who stops attending class without withdrawing will receive a grade from the instructor.

Incompletes

Incomplete grades are reserved for students who are unable to complete a course and the withdrawal date has passed. A student should only be issued an incomplete if at least 75% of the course assignments have been submitted and the student can reasonably complete the remaining assignments **within the first three weeks** of the next term to earn a passing overall grade. Otherwise, students should be issued the earned letter grade in the course at the end of the current term.

The **Incomplete Grade Request Form** must be completed and submitted for approval by the **FIRST** day of Final Exams and **BEFORE** issuing the "I" grade. The instructor will describe the circumstances leading up to the requested "I" for the course, and list the missing assignments, quizzes, exams, and any other course requirements needed to satisfactorily complete the course **within the first three weeks** of the next term. The form must be signed by the instructor, student, and the Dean/Executive Director over the program. Once all participants have signed, an approval email will be sent to the instructor for authorization to assign the "I" grade.

Honorlock will be recording your exam session by webcam as well as recording your screen. Honorlock also has an integrity algorithm that can detect search-engine use, so please do not attempt to search for answers, even if it's on a secondary device.

You are encouraged to submit your written work to Turnitin prior to assignment deadlines, whether through Canvas or [Draft Coach](#). If needed, that would allow you time to review the [library's research and help guides](#) or seek writing assistance from your instructor or a tutor in the Student Success Center.
