Student Expectations

Attendance

While attendance itself doesn't count as a "grade" in this class, it's still important for you to be here and be engaged because the more actively engaged you are in your courses, the stronger learning and better grades you tend to earn. Even though this is an online course, you will need to spend a substantive amount of time in our course (think around 3 hours per module). Be sure to show up for yourself this semester!

For official purposes, attendance in our class is tied to assignment submissions. If you have submitted an assignment for that module, you've attended class for that module. This primarily affects you being dropped from the class during the Add/Drop period, the date for a potential withdrawal, and a date I will have to put with your final grades if you earn a D/F.

Courtesy and Student Conduct Code

When having discussions in person or online I expect conversations to be respectful. Remember that discussions are to be respected as places for academic freedom. Input can, and likely will, have differing viewpoints. Faculty, and other students, will respect the speaker's right of expression. Speakers are expected to also be respectful in their dialogue. It is okay to disagree with an opinion, but this should not become an attack on the speaker. Whenever possible, even with opinions, use scientific data to support your stance.

Late Work

Late work of any kind is not accepted. All due dates can be found in the "Calendar" within this Canvas course, the "Home" page in Canvas, the "Syllabus" page in Canvas, and in this actual syllabus.

*If there is an extenuating circumstance please contact me prior to the due date. This is generally open to one assignment per semester.

Plagiarism

This is absolutely unacceptable in this course. **Assignments will receive a zero** and depending on the infraction, you could fail the course. Plagiarism will also be reported.

Gordon Rule Requirement

This course is a Gordon Rule course. In accordance with the State of Florida's Rule 6A-10.030, all courses designated as Gordon Rule ("GR") in the college catalog will include the requirement that students demonstrate the ability to produce college-level, discipline-based writings. Such courses include, but are not limited to, those in the Communications, Humanities, and Social

Sciences categories. This requirement will be met in each class through the student's successful completion of multiple and substantive college-level writing assignments as designed and assessed by the instructor in such a way as to measure both course-specific learning and development of writing skills over the progress of a given semester. In addition to demonstrating a satisfactory understanding of the written English language, all such assignments submitted by a student should exhibit critical thinking skills and be directly related to the discipline's specific General Learning Outcome(s).

Twice during the semester, we provide instructors with the opportunity to ALERT students of their course progress. This is done through the FGC Wolves email account. Students may receive an email stating their success may be at risk in a specific course. If you receive this email, DO NOT PANIC. Please contact your instructor directly, your academic advisor, and the SSC. Your instructor's information is provided in the email.

Navigate Student is a mobile app designed to support students during their academic careers at FGC. Navigate Student is the ultimate student resource that acts as a personal advisor and provides students with the information they need, when they need it. Additionally, students may make an appointment with an advisor, view campus events, be alerted on important to-do's, view class schedules, explore their major, and much more.

Please do not allow yourself to struggle. We are here to help you achieve success. The mission of the SSC is to help encourage and promote your educational journey here at FGC and beyond.

Class Recording

A student shall not make a recording in class unless the recording is limited to the class lecture, and

1. the recording is made for the student's personal educational use,
2. in connection with a complaint to the college, **or**
3. as evidence in or in preparation for a criminal or civil proceeding.

Students are not permitted to record in class, through any means over any medium, any academic or other activity that is not a class lecture. A recording of any meeting or conversation between students, or between students and faculty, is strictly prohibited unless all parties have consented to such recording. A recording of a class lecture may not be published without the prior express written consent of the recorded faculty member.

Under Students and the Complaints & Appeals section (<https://www.fgc.edu/students/complaints-and-appeals/>), information regarding policy, procedure, and forms related to these topics is provided.

College Course Withdrawal and Drop Process

A course may be dropped only during the published add/drop period. After add/drop, students must withdrawal from their course. Please visit the [College Catalog](#) for more detailed information about the drop and withdrawal process.

Students are responsible for withdrawing by the published deadline. Students must allow sufficient time for the process to be completed. **The fully approved withdrawal form is due to Registration & Records by 4:30 p.m. on the deadline posted on the [Academic Calendar](#) or it is considered late.**

To withdraw from a course, the following steps must take place:

1. The student will log in to MyFGC and navigate to the Withdrawal form.
2. First, click the Student tab; next click Registration; and then click Course Withdrawal Form.
3. The student will enter the course information, the instructor's email address, and the advisor's name and email address. Once all information is entered, submit the form.
4. The form then routes directly to the instructor for approval and the last date of attendance. Once the instructor has completed their portion, the form will route to the advisor.
5. The advisor will complete their portion of the form and submit.

6. The form then routes to Registration & Records for processing. The student will receive an email notification to their FGC Wolves email account once this step is completed.
7. If the form is denied, the student will be notified by email and should contact the advisor with any questions.

Students are strongly encouraged to begin the withdrawal process the day **before** the withdrawal deadline to allow sufficient time for the process to be completed by all offices involved (Instructor, Advising Services, Financial Aid, Registration & Records).

It is the student's responsibility to understand all financial and academic implications of the withdrawal. Students are permitted a maximum of two (2) withdrawals per course. Upon the third attempt, a student must receive a grade for the course. Absence from class or merely notifying the professor does not constitute withdrawal. A student who stops attending class without withdrawing will receive a grade from the instructor.

Incompletes

Incomplete grades are reserved for students who are unable to complete a course and the withdrawal date has passed. A student should only be issued an incomplete if at least 75% of the course assignments have been submitted and the student can reasonably complete the remaining assignments **within the first three weeks** of the next term to earn a passing overall grade. Otherwise, students should be issued the earned letter grade in the course at the end of the current term.

The **Incomplete Grade Request Form** must be completed and submitted for approval by the **FIRST day of Final Exams and BEFORE** issuing the "I" grade. The instructor will describe the circumstances leading up to the requested "I" for the course, and list the missing assignments, quizzes, exams, and any other course requirements needed to satisfactorily complete the course **within the first three weeks** of the next term. The form must be signed by the instructor, student, and the Dean/Executive Director over the program. Once all participants have signed, an approval email will be sent to the instructor for authorization to assign the "I" grade.

Student Communication Standards

You are expected to communicate in a professional and respectful tone with the instructor and fellow classmates. All written communication (in email correspondence, discussion forums, assignments, quizzes and exams, etc.) must use proper written English. Please refrain from using online and texting abbreviations and language. Oral communications, if applicable, must be made with a respectful tone and body language. Use proper [netiquette](#) throughout!
