Welcome to Florida Gateway College. You are a member of an organization with high expectations and goals for our students and staff.

You have joined a College whose greatest assets are its people. They are a group of people dedicated to

supporting, training and educating our students and the citizens of the FGC district.

The FGC Employee Handbook is filled with information, policies and practices for Florida Gateway College. If there are questions unanswered in this book, please contact your supervisor or the Human Resources Department.

FGC is dedicated to providing quality educational programs and services to our students and throughout our district. You were selected for your position because of the confidence we have in you to perform your duties at the highest level possible. Please do not hesitate to let your supervisor and co-workers know what we can do to help you strive to be the best you can be.

Again, welcome to Florida Gateway College.

Sincerely,

Lawrence Barrett, Ed. D.
President

Florida Gateway College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the baccalaureate and associate degree. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, or call (404) 679-4500 for questions about the accreditation of Florida Gateway College. The Commission is to be contacted only if there is evidence that appears to support an institution's significant non-compliance with a requirement or standard.

Mission Statement

The mission of Florida Gateway College is to provide superior instruction, nurture individual development, and enrich the community through quality higher education programs and lifelong learning opportunities.

FOREWORD

This handbook has been prepared to introduce you to Florida Gateway College. It will acquaint you with the policies, rules, pay, and benefits which apply to employees of the College.

The material in this handbook is for the convenience of full-time and part-time personnel and adjunct faculty employed by Florida Gateway College. The personnel handbook does not represent a contract with employees of the College.

Each person employed by the College is responsible for being familiar with the information contained in this handbook, the College Catalog, and supplementing official publications of the College. The Board Policy & Procedures Manual, upon which the information in this manual is based, is available in each Division Office, on the Intranet, our College website, and in the Human Resources Office should further information be desired.

Questions relative to the procedures contained herein should be directed to your department head or the Human Resources Office. All information contained in this handbook is correct as of the date of printing. Current issue date is July 2015. As revisions are made, new pages will be provided for insertion.

I. INTRODUCTION

Brief History of the College

Florida Gateway College (FGC) formerly Lake City Community College has established a strong tradition of providing high quality, postsecondary educational opportunities to the citizens of North Central Florida. What began as a school of Forestry in 1947 has now grown to become a comprehensive, public community college serving over 6,000 students annually.

The College traces its growth from the Forest Ranger School, which utilized structures that remained from a World War II era air base. In 1961, when the state of Florida created Lake City Junior College on the campus of the old forestry school, the College became one of 28 two-year institutions envisioned in the state's master plan. In those early days, Lake City Junior College had fewer than 400 students.

The inclusion in 1970 of "community" in the College's title emphasizes the broad spectrum of transfer and occupational programs offered in addition to continuing education and community service courses. The college officially changed its name to Florida Gateway College on July 1, 2010.

Today the campus of FGC is an attractive site, nestled in one hundred acres of southern pines, with 25 modern buildings surrounded by crepe myrtle and azalea shrubbery.

The College offers outstanding programs in liberal arts and sciences. A significant number of students who begin their college career in these programs earn associate degrees and then successfully transfer to senior institutions where they maintain superior records when compared to their university counterparts.

In 2012, Florida Gateway College launched its inaugural four-year program, a Bachelor of Science in Nursing. A second four-year degree, a Bachelor of Science in Early Childhood Education, launched during the Fall 2014 semester and was followed by a Bachelor of Applied Science in Water Resources

Management in Spring 2015. FGC also plans to add an Industrial Logistics four-year degree in the coming years.

The College also offers outstanding opportunities in diverse occupational programs such as business administration, computer programming, cosmetology, engineering technology, gaming, health information technology, horticulture, HVAC, logistics and supply chain, medical assistant, water/wastewater, and welding. The College provides comprehensive training in allied health fields such as registered nursing, practical nursing, emergency medical services, physical therapist assistant, patient care technician, and others. Each year the College maintains the search for excellence by offering new programs which meet the needs of its district.

The College's district encompasses five North Central Florida counties: Baker, Columbia, Dixie, Gilchrist, and Union. This 2,683 square-mile district is an area twice the size of Rhode Island.

The region around the College is commonly referred to as Florida's Crown and the Gateway to Florida. The College district is situated midway between the Atlantic Ocean and the Gulf of Mexico. The geographic area around the College would generally be considered rural. The moderate climate, hospitality of the community, and beauty of the adjacent recreational areas draw visitors and newcomers from around the world. The main campus is located approximately six miles east on Highway 90 from downtown Lake City, Florida, by the airport with sites in Baker (Olustee), Dixie and Gilchrist counties.

Philosophy

Florida Gateway College is committed to providing the highest quality education and training to the citizens of its unique, rural service area. We believe that each group, every community, and every nation derives all of its value and all of its power directly from the individuals who constitute those bodies. In a democratic society, individuals, each and every one, need to be appreciated for their unique, irreplaceable, and

intrinsic value. Further, this value needs to be enhanced and amplified with fitting educational experience to fully consummate societal potential.

To implement this philosophy, we nourish in each individual the view that learning is a continuous, lifelong process. We support each individual in developing to the fullest potential by providing opportunities to acquire the knowledge, skills, habits, understanding, and values necessary for securing economic stability and contentment, carrying out social and civic responsibilities with interest and enthusiasm, and obtaining a full measure of personal success and fulfillment.

The College, the students, and the communities it serves, are partners. We engage in an educational and cultural enrichment adventure designed to achieve the lofty but elusive goals of excellence, truth, scholarly achievement, and human understanding.

Mission and Goals of the College

Mission Statement

The mission of Florida Gateway College is to provide superior instruction, nurture individual development, and enrich the community through quality higher education programs and lifelong learning opportunities.

Long Term Goals

To achieve the Mission and perform the functions set forth in the Institutional Mission Statement, the College will pursue goals to:

1. Create a student centered campus through the improvement of support services to enhance student engagement in the classroom and on campus, thereby establishing Florida Gateway College as the region's top choice for higher education.
2. Establish and support an expanded curriculum to include programs at both the associate and baccalaureate levels.

3. Work with state and federal legislators to increase program and capital outlay funding.
4. Foster a cohesive and supportive environment which encourages teamwork, and professional growth and development to recruit and retain quality, diverse faculty and staff.
5. Invite the community to use the new Wilson S. Rivers Library and Media Center as a community center and regional library for Eastern Columbia County, Western Baker County and Union County.
6. Expand enrollments in the Logistics, Supply Chain, and Water Resource programs through focused marketing and recruiting efforts. These programs are being studied for future expansion to baccalaureate degrees.
7. Support the regional development of an inland port facility through collaborative planning, Logistics & Distribution Center expertise and the development of related workforce training programs.
8. Continue to update classrooms with symposiums to enhance student and faculty access to current materials through the Internet and other technology devices.
9. Continue to support the college's Title III and Quality Enhancement Plan (QEP) initiatives and retention strategies, the Department of Labor grant, and additional new opportunities that may evolve to better serve our students and service area.
10. Recruit and retain excellent and progressive Science, Technology, Engineering, and Math (STEM) instructors to design and develop courses and programs to prepare and educate students in the STEM areas.

Governance

The District Board of Trustees serves as the governing Board of the College. It is charged by Florida Statutes and State

Board of Education Rules with responsibility for establishing the policies which determine the quality and direction of the College, establish an effective management for the College, and assist the institution in carrying out its approved objectives and philosophy. The District Board of Trustees is appointed by the Governor and delegates to an appointed President the responsibility for administration of the College in accordance with its established policies.

II. EMPLOYMENT POLICIES

Equal Opportunity

Florida Gateway College affirms its Equal Access/Equal Opportunity Policy in accordance with all applicable state and federal laws, regulations, and rules. The College reaffirms its commitment to provide equal access and equal opportunity for all, employees, applicants, programs, services, and activities offered by the College, without discrimination. Discrimination on the basis of ethnicity, race, color, national origin, sex, religion, disability, age, sexual orientation, genetic information, or marital status against a student, employee, or applicant is prohibited. The Equity Officer for the College is the Executive Director of Human Resources.

Definitions of Employment Status

Full-time Employee (Permanent):

An employee who occupies an established budgeted position requiring a normal work schedule of 40 hours per week, who receives all benefits accorded a full-time employee and participates in a retirement plan established by Florida Law.

Part-time Employee (Permanent):

An employee, who is occupying an established, budgeted position, is paid on an hourly basis and works less than a 30-hour week. There are no benefits offered to persons employed in this status except retirement.

Temporary Employee:

An employee paid on an hourly or daily rate at entry level. A temporary employee may work the full work day or part of it. The term of employment shall not exceed 6 months or one semester at a time. These positions are not eligible for any employee benefits, except retirement in some limited cases.

Administrator:

An employee who receives an administrative contract.

Career Service:

An employee who is not hired on a contract and must satisfactorily complete a six-month probationary period upon entering a position.

Grant Funded Employees:

Persons employed through grant or similar type non-recurring funds. These employees are eligible for Florida Retirement and employee benefits specified in the grant and funded by the grant.

Exempt:

Employees whose positions meet specific tests established by the Fair Labor Standards Act (FLSA) and applicable state law and who are exempt from overtime pay requirements.

Non-Exempt:

Employees whose positions do not meet FLSA tests and who are paid one and one-half (1½) times their regular rate of pay for hours worked in the excess of forty (40) per week.

Employee Accidents and Injuries

Any employee who has an accident and/or injury while in the performance of College business shall immediately contact the following:

Employee's immediate supervisor
Human Resources Office, Ext. 4384

The Human Resources Office will determine if the claim is subject to Workers' Compensation Insurance Coverage. The injured employee or his/her representative is responsible for completing all necessary reports filed. All reports are submitted to the Human Resources Office.

Employee Grievances

A grievance is defined as a complaint by an employee or applicant that a Federal Statute, Florida Statute, a State Board of Education Rule, or a Florida Gateway College policy has been violated, misapplied, or inequitably applied. The grievance procedure is not designed to include disputes arising from changes in policy, rule, or procedure.

Cooperation of all employees is solicited in reporting items to their immediate supervisors as they might occur so they may be corrected before they become grievances. Grievance procedures have been established to ensure all employees a hearing and fair treatment of grievance without regard to

ethnicity, race, color, national origin, sex, religion, disability, age, sexual orientation, genetic information, or marital status. Said procedures may be found in Board Policy 6Hx12:6-10.

The first step of the formal grievance process is to submit a written grievance (forms available in the Human Resource Office) to the appropriate administrator, or the Executive Director of Human Resources. For more information, contact your Human Resources Office.

Employment of Relatives - Nepotism

It is the policy of the District Board of Trustees that no restrictions shall be placed on the number of individuals that can be employed from the same family. However, employment of related persons in the same department or program where such employment would involve a conflict of interest, actual or potential, or where the employee has or would have direct or indirect administrative or decision-making authority over the related person or where decisions of such employee may affect such other person is prohibited. An exception can be made where the employment of a related person becomes necessary due to a shortage of qualified personnel. In such cases the president shall recommend the person's employment individually.

Any relationship with a person already working for the Board shall be disclosed prior to employment by appropriate entry, or amendment to, the position application.

Enforcement Policy

All of the employee requirements and restrictions stated in this handbook and in Board Policy & Procedures, as well as those established by practice, are seriously intended. Due to the nature of the institution and the nature of services to be rendered, as well as the circumstances and environments in which some work is performed, it is not feasible that all work activities be closely supervised. A failure to observe rules and requirements is not to be justified on the basis that they are not strictly enforced, or uniformly enforced.

Exit Interviews

When you leave Florida Gateway College you will have an exit interview with the Executive Director of Human Resources or a designated representative on or before your last day. This exit interview documents the reasons you are leaving and solicits constructive feedback to improve Florida Gateway College.

Job Descriptions

At the College we use job descriptions to aid in staffing, wage and salary administration, and training. They also help employees and supervisors communicate about job responsibilities. However, job descriptions are not fixed College policy; they are only guidelines and can normally be expected to change over time.

From time to time, employees are expected to perform duties and handle responsibilities that are not part of their normal job. If, over the months, the new duties and responsibilities remain a significant part of the assignment, the job description may need to be changed after a review is performed by the Executive Director of Human Resources. Job descriptions are available for review on the College Intranet.

Lunch and Rest Periods

Normally, all non-instructional personnel will be allowed one-half-hour for lunch and one fifteen (15) minute break in the morning and one fifteen (15) minute break in the afternoon. Any deviation from this meal/break period schedule must be approved by the employee's immediate supervisor. Break periods are a privilege and as such are subject to cancellation if the immediate supervisor determines the work load requires the employee to forego any break. The period of time allowed for lunch and/or breaks cannot be accumulated for purposes of reducing the normal work day.

Non-Instructional Position Classification

Florida Gateway College utilizes a Board approved non-instructional position classification plan which consolidates all position classifications into specific pay grades. Each non-instructional employee is hired to perform a specific job and is assigned a specific position classification and title. Classification and position titles are based on the duties and responsibilities of the particular position. Within most occupations, there are several levels or grades based on the difficulty of the tasks assigned, educational background required, responsibilities assumed by the employee, and the experience needed to perform the duties of the position. (Board Policy 6Hx12:8-03)

The employment classification plan consists of the following:

1. All approved grades of positions.
2. The job description of all approved classes of positions.
3. The allocation of each position to its appropriate grade and class.

Outside Employment

It is the policy of the District Board of Trustees that employees of the college may engage in outside employment so long as the outside employment does not interfere with the regular work schedule. The employee should furnish a written statement through the immediate supervisor to the director of human resources for inclusion in their personnel file.

No Florida Gateway College employee may engage in the selling of any goods or services to students, parents, or other college employees on college property, except where it is a regular part of the employee's assigned work in the operation of the college.

No Florida Gateway College employee is permitted to do business with the board, faculty, or administrative personnel involving the sale of any product or service to the college except with specific prior approval of the president.

Should it develop that an individual's outside employment results in or contributes to a reduction in work performance with the college, or that such outside employment is resulting in or has brought discredit upon the college, the individual will be offered an opportunity to give up such outside employment or make a determination regarding future employment with the college, subject to approval by the president.

Parking Permits and Traffic Regulations

Each College employee must obtain a parking permit (decal) from the College Facilities Office for placement in any vehicle which will be used on campus. Employees are expected to observe all College traffic rules and regulations. These regulations include the following:

1. Maximum speed on College roadways is 20 MPH
2. Parking is permitted only in designated areas not marked for special reserved use.
3. All pertinent traffic laws of the State of Florida will be enforced.

Certain parking spaces on campus are designated for use by the disabled. Anyone parking in these spaces must have a prominently displayed decal issued by their local automobile tag agency.

Performance Evaluation

Performance evaluations are conducted on all personnel of the College not less than once a year using established and approved procedures. The performance evaluation is the appraisal of an employee's performance against the

performance standards for his or her position. It allows your supervisor to discuss your overall performance and review your strengths and also point out ways to improve your performance. The primary purpose of such an evaluation is to assist personnel in professional development and in achieving stated College goals and objectives. (See Board Policy 6Hx12: 6-13)

Personnel Records

Important events in each employee's history with Florida Gateway College will be recorded and kept in the employee's personnel file. Regular performance reviews, change of status record, commendations, corrective action warnings and educational attainment records are examples of records maintained.

All personnel records pertaining to employee performance are subject to appropriate statutes related to confidentiality of employee records.

Your personnel record is available for your inspection in the Human Resources Office. Contact your supervisor or the Human Resources Executive Director to make an appointment.

You are responsible for notifying the Human Resources Office of changes in address, telephone number, and/or family status (marriage, births, death, divorce, legal separation, etc.) as income tax status and group insurance may be affected by these changes. All appropriate forms are located in your Human Resources Office or changes can be made through your Banner self-service account.

Probation

In accordance with Board Policy 6Hx12:8-04, all newly hired career service employees will serve a probationary period.

The purpose of the probationary period is to allow the employee a period of time to master the duties and responsibilities of the position. The probationary period also provides the employee and the supervisor a period of time to evaluate the employee's ability and desire to successfully perform these duties and responsibilities.

The first six calendar months of appointment are considered a probationary period. However, successful completion of the probationary period is not to be construed as a guarantee of continued employment.

At the end of two and four months of employment, conferences shall be held that shall include written performance appraisals. The conferences should be directed at employee development,

areas of weakness or strength, and any additional training required to improve performance.

A third conference shall be held at least two weeks before the end of the six month probationary period. The third session shall include a performance appraisal with a recommendation for either permanent status, extension of the probationary period, or termination. The appraisal shall be reviewed by the second level supervisor prior to the counseling session.

An extension of the probationary period may be granted by the President or appropriate Vice President for up to three additional months when an employee's performance is rated overall conditional.

Current employees may be considered for a job opening in another work unit within the College. In accordance with Board Policy 6Hx12:6-17, any employee who is selected for a job vacancy shall be on a ninety (90) day probation in the new position. If the employee filling the new position does not perform satisfactorily during the stated period of probation, the employee is normally not eligible to return to the former position.

Promotions; Job Posting

When vacancies occur, all current employees of the College are eligible to apply. The College strives to promote capable and experienced individuals, based on demonstrated ability to assume greater responsibility. At the same time, the College may need to recruit and hire outside the College to attract the most qualified individual for a particular opening. Therefore, all positions for which the College is advertising will be posted on designated bulletin boards, furnished to State employment agencies and other appropriate agencies, the College TV station and advertised in newspapers.

Resignation

All employees who elect to resign from positions within the College are required to submit a letter of resignation and the supervisor submits the appropriate termination of employment form. For any employee to be considered as resigning in good standing, the employee should provide sufficient prior notice unless, because of extenuating circumstances, the College administration agrees to permit a shorter period of notice. (Board Policies 6Hx12:8-00 & 7-06)

The following guide should be followed for submission of resignation:

Instructional personnel – minimum of thirty (30) days

Administrative, Executive Managerial personnel – thirty (30) days
Career Service Personnel – minimum of fourteen (14) days

Working Hours

Most non-instructional employees work a five-day, forty (40) hour week from 8:00 a.m. to 4:30 p.m. with half an hour for lunch. There are variations of this schedule in a few divisions or offices. When an employee reports to his or her work area, the employee will be advised of specific hours to work.

During a designated four-day work week, Monday through Thursday, the normal hours of operation are 7:30 a.m. to 5:00 p.m. For purposes of leave and pay, the four-day week is treated as the five-day week.

The College may at any time make changes in the working hours, days, weeks, or schedules of any individual employee, or groups of employees, and will endeavor to provide reasonable advanced notice of any such changes.

III. WAGE AND SALARY POLICIES

General Wage and Salary Policy

At Florida Gateway College we strive to pay salaries that are competitive with similar positions in our community and at benchmark community colleges (those similar in size and service area), recognizing individual effort and contribution to the success of our College.

Our wage and salary schedule classifies each position based on:

- Knowledge and ability requirements
- Variety and scope of responsibility
- Physical and mental demands

Established wage or salary ranges are reviewed periodically and may be adjusted if necessary. If you are interested in knowing the wage or salary range for your position, ask your supervisor or contact Human Resources. The Salary Schedule is also available on the Intranet via the College website.

Overtime

Full-time non-exempt career service employees who work in excess of forty (40) hours per week in their regularly assigned position may be eligible for overtime payments based on one and one-half times their regular hourly rate.

This is a general rule and other arrangements which are permitted under the Fair Labor Standards Act may be made. Prior approval must be obtained from the employee's supervisor before the additional hours are worked. (Board Policy 6Hx12:8-06)

Payroll Deductions

Various payroll deductions are made each payday to comply with federal and state laws pertaining to taxes and insurance. Deductions will be made for the following:

Federal Income Tax Withholding
Social Security (FICA) and FICA/Medicare Contribution/
Alternative Social Security*
Other items designated by the Employee

*Adjunct instructors are not covered under Social Security, but instead are enrolled in a 401(a) FICA Alternative Plan, to which 7.5% of salary before taxes is contributed.

At the end of each calendar year you will be supplied with your Wage and Tax Statement (W-2) form. This statement summarizes your income and deductions for the year. If you have any question regarding these deductions, please contact the Payroll Office.

Payroll Certification

All College employees are required to complete the appropriate forms that certify leave taken. Leave will then be entered into Banner by your department time-keeper. Questions regarding leave and leave entry should be directed to Human Resources. Payroll checks are issued on a semi-monthly basis.

Wage or Salary Increase

It is the policy of the District Board of Trustees that all non-instructional employees hired April 1st or later will not be eligible for a salary increase until the beginning of the second fiscal year after their employment. The fiscal year is July 1st thru June 30th.

Salary increases are normally based on an across-the-board raise and will be granted at the beginning of the fiscal year. Exceptions may be made for employees who are being promoted or reclassified to a higher pay grade, or where there is a significant change in the duties or responsibilities of the position.

IV. EMPLOYEE BENEFITS AND SERVICES

Florida Gateway College strives to provide a competitive package of employee benefit programs for its eligible employees. The existence of these employee benefits and plans, in and of themselves, does not signify that an employee will be employed for the requisite time necessary to qualify for these benefits and plans.

Complete and official details of insurance and payroll plans are contained in materials which employees receive on their first day of work. The descriptions in this handbook are only brief summaries for your general information. Contact the Human Resources Office for more details. If you leave the College under circumstances described by federal law, your group health insurance may be continued. You will receive a detailed explanation of this privilege upon termination

Fringe Benefits

Accidental Death & Dismemberment Insurance

Coverage is available to full-time employees through the College. The College pays for such coverage for the individual employee.

Employee Scholarships

Full-time employees of the College who have been employed for at least twelve months may have a scholarship for matriculation, and all associated fees, with the exception of any lab fees, for twelve (12) credit hours per academic year. Scholarships are applicable to credit classes only. Dependents of full-time Florida Gateway College employees who have been employed for at least twelve months may receive a scholarship for matriculation and all fees, with the exception of any lab fees, for twenty-four (24) credit or equivalent hours per academic year. Scholarships are applicable to credit classes only. Retired employees and adjunct faculty (in the semester in which they are teaching class(es) for the College) may have a scholarship for matriculation and all associated fees, with the exception of any lab fees, for one course per semester. Scholarships are applicable for credit and institutional credit classes only. For specifics of eligibility see Policy 6Hx12:6-04. Saint Leo University also provides 60 semester hours per academic year to distribute among College employees. See Human Resources for details.

Health Insurance

The College provides free individual coverage for major medical and hospitalization and dental insurance for all full-time employees. Family protection is also available at group rates, but the employee must cover the entire cost of coverage premiums through payroll deductions. Coverage is provided through the College by the Florida College System Risk Management Consortium. For further information on hospitalization and claims processing, contact the Human Resources Office.

Life Insurance

Life insurance in the amount of \$40,000 is provided by the College for all full-time employees at no expense to the employee. Employees may purchase supplemental life insurance for up to three times their annual salary through payroll deduction at initial employment time. After that, the employee must show proof of insurability in order to purchase supplemental life insurance.

Retirement

Full-time College employees participate in the Florida Retirement System (FRS). There are two parts to the plan: Pension Plan or Investment Plan. A new employee must elect one within five months of employment. Personnel will be participants in the Florida Retirement System (FRS) unless an eligible employee elects the options of participating in the Optional Retirement program (ORP), the Senior Management Service (SMS) Optional Annuity or Senior Management Service Local Option Annuity Programs. The employer contribution for each class is as published by the FRS except the Local Option Annuity, which will be at the published SMS Optional Annuity rate. Employees are required to make 3% contributions on a pre-tax basis. Contributions will be deducted from the gross salary each paycheck.

Participation in the ORP is limited to full-time personnel in instructional, executive management, instructional management, or institutional management (if recruited on a national or regional basis). All eligible employees are initially enrolled in the FRS and must make an option to enroll in the ORP within 90

days of employment or will remain in the FRS. This decision is irrevocable.

All employees meeting normal retirement criteria as defined by FRS (Employees hired prior to July 1, 2011 - age 62 with at least 6 years of FRS eligible service or 30 years of FRS service at any age. Employees hired after July 1, 2011 – age 65 with 8 years of service or 33 years of service regardless of age.) shall be eligible to participate in the Deferred Retirement Option Program (DROP). DROP participation shall be for a maximum of 60 months from initial eligibility and must be elected within the first 12 months of eligibility except for instructional personnel who may elect DROP anytime after they reach their normal retirement date. The decision to participate in DROP is irrevocable. Additional information and specific requirements are kept on file in the Human Resources Office.

Staff and Program Development

Staff and Program Development (SPD) funds are allocated by the College each year for major projects, workshops, visitations, individual projects, institutes, and in-service training programs. Employees are encouraged to submit proposals for SPD projects using established guidelines. Proposals are submitted to the SPD budget custodian of the employee's area for approval.

Social Security

All full-time employees are covered by the Federal Social Security Act. A required percentage of your salary is deducted from your paycheck to pay the employee's portion of this protection, with the College matching your deduction dollar for dollar. Adjunct instructors are not covered under Social Security, but instead are enrolled in a 401(a) FICA Alternative Plan, to which 7.5% of salary before taxes is contributed.

Tax Sheltered Annuity Programs

Tax sheltered annuity programs are available through the College on a payroll deduction basis. The programs provide for investments without tax liability until the invested monies are withdrawn. Contact the Payroll Office at ext 4311 for more information on these plans.

Leave of Absence

Leave of absence is defined as permission granted by the appropriate supervisors for an employee of the College to be absent from his or her duties for a specific period of time. Leaves of absence involve several categories, each of which has a different implication for the employee's benefits and salary status. All leaves of absence by an employee must be requested on the College leave request form and submitted to the employee's supervisor for authorization. Forms may be obtained from your Human Resources Office or your supervisor. An employee, who is absent without approved leave, may be subject to disciplinary action. (Board Policy 6Hx12:6-29)

Annual or Vacation Leave

All full-time, 12 month, employees earn annual leave based on their continuous and credible service as follows:

- 1-5 years continuous service, 8 hours per month
- 6-10 years continuous service, 10 hours per month
- 11 or more years continuous service, 12 hours per month

Employees must request annual/vacation leave and receive the approval of the supervisor before it is taken. Employees may not take such leave and fill out a leave form after the fact.

Employees who have been employed at least 6 months with a satisfactory work performance, and who terminate in good standing will be paid for unused annual leave hours upon termination. (Board Policy 6Hx12:6-31)

When an employee reaches the maximum amount of annual leave that can be carried over to the next year as of July 31, excess leave over that amount will be put into the employee's sick leave. Such leave will not be compensable at termination or retirement.

Compensatory Leave

Alternative lawful arrangements may be granted to eligible employees for hours worked in excess of forty (40) hours for the normal work week. Prior to working overtime, approval must be granted by the employee's supervisor. Eligibility for compensatory leave is defined in Board policies. (Board Policy 6Hx12:8-01)

Family Medical Leave

To be eligible for Family Medical Leave, an employee must have been employed for at least 12 months with the College and must have worked at least 1,250 hours for the College during the previous 12-month period before taking the leave. While on Family Medical Leave, the employee shall not earn any compensation. The employee shall be required to take and receive payment for all accrued sick and vacation leave during the leave period, to the extent that such leave is earned and accrued. Thereafter, the employee shall not receive any compensation during the remainder of the leave. The College shall maintain, at its own cost and expense, medical, dental, and life insurance coverage under any group health plan in the same manner as though the employee were not on leave. The employee shall be required to make all contributions to such coverage as would have been required had the employee not taken leave. (Board Policy 6Hx12:6-35)

Holidays

All full-time non-instructional employees shall be entitled to paid holidays approved by the Board. Full-time non-instructional employees in established positions of less than twelve (12) months shall be entitled to those paid holidays that fall within their annual work schedule.

Employees on approved leave with pay during periods when designated holidays occur shall not have the holiday charged against their accrued leave. No holiday with pay shall be granted when it precedes the first day of employment, occurs during a leave without pay, or immediately following terminal vacation leave. An employee who has an unapproved absence on the duty day before or after a designated holiday will not be paid for the holiday. This is not applicable to employees retiring or terminating from the Deferred Retirement Option Program (DROP) nor the Community College Optional Retirement Program (CCORP) if they designate retirement/termination effective December 31st.

Jury Duty

An employee may be paid for jury duty or court appearance leave in accordance with Board Policy 6Hx12:6-34.

Military Leave

Any full-time regular employee will be eligible for Military Leave as outlined in Board Policy 6Hx12:6-36.

Personal Leave

It is the policy of the District Board of Trustees that full-time employees may be absent from duties for personal reasons for a maximum of four (4) days per fiscal year with compensation, provided that the appropriate leave forms are filed and approved in advance by the employee's supervisor. Such leave for personal reasons shall be charged to accrued sick leave and shall be non-cumulative.

Sabbatical Leave

Sabbatical leave may be granted to any full-time staff member according to the Procedure detailed in the Florida Gateway College Staff and Program Development Manual. (Board Policy 6Hx12:6-47)

Sick Leave

Any full-time regular College employee who is unable to perform his or her duties because of personal illness or because of the illness or death of father, mother, brother, sister, spouse, child, close relative, or member of the employee's own household and, consequently, must be absent from work, may be granted leave of absence for sickness. Each full-time employee shall earn eight (8) hours per month for sick leave, subject to the provisions of Florida Statute 1012.865. Sick leave shall be used and dispensed as set forth in Florida Gateway College Sick Leave procedures and is accumulated from year-to-year. Full-time employees who otherwise terminate employment after at least six (6) months of service in good standing will be paid sick leave according to the Terminal Pay procedures. (Board Policy 6Hx12:6-24)

Sick Leave Pool

The purpose of the Sick Leave Pool is to enable full-time employees to pool sick leave. The intent of the Sick Leave Pool is to assist participating employees who have a serious illness, major surgery, or serious accidents. Employee participation in the Sick Leave Pool (SLP) will at all times be voluntary. Any full-time

employee will be eligible to participate in the SLP after one year of service with the College, provided that the employee has accrued ten (10) days of unused sick leave. Eligible employees may join the pool during open enrollment. There will be two open enrollment windows: April and November. The initial contribution required to join the sick leave pool is two (2) days which will be removed from the employee's personally accumulated sick leave balance. Eligible Employees will be notified by the Human Resources Office. See Board Policy 6Hx12:6-39

Worker's Compensation

All Florida Gateway College employees are covered by Worker's Compensation provided by the College for injuries or illness arising out of or in the course of employment. Employees who sustain work-related injuries or illnesses should inform their supervisor immediately. Completion of an Accident/Injury form will enable an eligible employee to qualify for coverage as quickly as possible.

The employee must report the injury or accident to his/her supervisor and the Human Resources Office within 24 hours of the incident. The "Accident Incident Report" will be completed and signed by the injured party. The supervisor will then sign the form and send to the Human Resources Office if no treatment by a physician is required.

If the employee deems it necessary to seek medical care, he/she must complete a second form called a "First Report of Injury". This is the mechanism that triggers workers' compensation benefits. Again, the injured party should complete and sign the form, if able, have the supervisor sign the form, and bring it to Human Resources. Human Resources' staff will give the employee a third form to take to the physician's office authorizing treatment. Human Resources' staff also calls the physician's office to advise them the employee is on the way for treatment. If treatment is not requested on the day of injury, it may be sought at a later date if symptoms persist by completing the "First Notice of Injury" form and getting a referral from the Human Resources Office.

Services

Association of Florida Colleges

The Association of Florida Colleges (AFC) is the only association which represents the twenty-eight

community colleges in Florida. The purpose of the association is to promote the development and advancement of Florida community college education and legislation beneficial to the community college system. Professional workshops are held throughout the year and an annual convention is held each fall. Membership in the AFC is open to all community college employees and dues range from \$10 per year for adjuncts to \$35 to \$40 per year for full-time employees (depending on annual salary). Dues can be paid by cash, check or payroll deduction. Contact Human Resources for more information.

Cafeteria

There is a cafeteria available to staff and students located in the Student Union Building and H&H Café is located in the Wilson S. Rivers Library. For more information on hours of operation and the offerings and prices, visit the cafeteria in the Student Union Building.

College Bookstore

The College Bookstore provides a wide range of items for sale to students, faculty, and staff of the College. The Bookstore is located in the Student Union Building (SUB).

College Committees

Certain standing committees have been established at the College. These committees assist in the overall governance of the College by dealing with the current College affairs and by considering matters which advance the College into the future. Each committee has prescribed functions. Standing committees are limited to the fewest number of members to carry out certain governance tasks of the College while trying to maintain equal representation from each division. When unusual needs arise, a task force is generated with faculty, student, and staff membership to study the subject or problem in question and carry out the duties prescribed. The governance structure is reviewed each year.

A task force discontinues its activity upon completion of its functions. Standing committees continue in operation until such time as they can be discontinued or joined with another.

Your supervisor can provide you with a list of the current committees and their functions. You may be

asked to participate on one of the committees or you may wish to volunteer. In so doing you will have an opportunity to be a part of the governance of the college. The Committee Structure Handbook is available on the College Intranet.

Computer Use

All use of College technology resources must be consistent with the business of the College. Information placed on the system must relate only to responsibilities assigned to the employee. Use of the system for any personal profit-oriented, commercial or business purpose is strictly prohibited, as are any threatening, obscene or defamatory statements. Sharing or loaning an account to any individual not assigned to it is strictly prohibited. Prohibited activities also include attempting to modify equipment or software; the installation of unauthorized or unlicensed software; attempts to circumvent or interfere with established network security devices.

Computer/Telephone Work Request

Should your computer or telephone not be functioning properly, email the Technology department helpdesk for service. That email address is helpdesk@fgc.edu. If your computer is down or email not working, you may call the helpdesk at ext. 4408.

Facilities Work Request

If an employee desires work done in his or her area (furniture moved, repairs, etc.) the request must be approved by the supervisor and submitted to College Facilities using the computerized work order system. See the responsible clerical person in your area to access this system or submit a request.

Foundation

The Foundation for Florida Gateway College is a tax-exempt, 501(c)3, not-for-profit organization with the sole purpose of raising funds to support and enhance Florida Gateway College programs. The Foundation is governed by a volunteer board of directors with oversight from the College president and the FGC District Board of Trustees. The Foundation provides support in two basic areas, student scholarships and program enhancement funds such as equipment, teaching resources, program development and other

non-scholarship support. Gifts are tax-exempt and all employees are cordially invited to participate. Payroll deduction may be utilized to contribute to the Foundation. For more information, contact the Foundation at ext. 4201.

Keys

A request for permanent or temporary use of an electronic access card or keys must be approved by the department chairperson and appropriate vice president. Forms for requesting them are available in the College Facilities Department. The President must approve all requests for site master keys. The recipient of the card or key(s) is responsible for safeguarding them at all times, shall not allow duplicate key(s) to be made, and, if lost or stolen, shall submit a written report to the College Facilities Department immediately. The card or key(s) must be returned to the College Facilities Department at the time the person resigns, is terminated, or for any other reason no longer requires the card or key(s). Department heads must ensure Adjunct's cards and keys are turned in each semester.

Library

Staff and faculty are welcome to use the Wilson S. Rivers Library and Media Center. Among the services offered to library users are reference help and inter-library loans. Books, magazines, and newspapers are in ample supply for your reading pleasure. Videos and DVDs are available for checkout and there are a limited number of computers available for research. Faculty are encouraged to place special materials on reserve for their students and to ask for help in preparing reading lists. Library staff are also available for library orientation.

Mail Service

The mailroom is located in the Central Receiving Building. Daily mail pickup and delivery is made to all areas. Postage is applied to all outgoing mail and charged to the sending department. Therefore, outgoing mail is for official use only. Employees may not send or receive personal packages through the mailroom. Stamps for personal mail may be purchased via a stamp machine located at the bookstore.

Recreation

The Student Activities Office has available for use a variety of camping and recreational equipment including tents and canoes. For check-out or information on available equipment contact The Student Activities Office.

The College fitness center and gymnasium are available for employee use on a limited basis. Contact Student Activities for more information. Racquetball and Tennis courts are also available for use.

Telephone Work Request

Should your telephone not be functioning properly, email the technology department helpdesk for service. That email address is helpdesk@fgc.edu. If not possible to send an email, you may call the helpdesk at ext. 4408.

Transportation

The College maintains a limited number of vehicles for use in College business by staff and faculty. Vehicles are generally used for group activities such as field trips or extracurricular activities. Vehicles are checked out through College Facilities in accordance with Board Policy 6Hx12:6-03. When an employee travels to a meeting away from campus he/she will generally use his/her own vehicle and be reimbursed for mileage, or a rental car may be requested. A copy of the Driver's License must be on file in Facilities.

Employee Communications

Bulletin Boards

Each department has a bulletin board which is used to communicate important College information and information particular to that area. Available positions and required employment posters are also to be posted in each area. All posted items must be approved in advance by the division/department head or designee. Your Human Resources Office maintains a separate bulletin board on which they post all available positions at Florida Gateway College and other colleges. Also posted are employment posters required by law. You are responsible for regularly reading the information posted on the bulletin boards.

Complaint Handling Procedure

Under normal conditions, if you have a job-related problem, question or complaint, you should discuss it with your supervisor. The simplest, quickest and most satisfactory solution will often be reached at this level. However, should you feel the complaint cannot be resolved in this informal method or if it is felt that it is a grievable issue, a formal grievance procedure has been established.

All complaints/grievances will be afforded the strictest confidentiality without fear of reprisal or retaliation and will be processed in the manner set forth in Policy 6Hx12:6-10. Grievance forms can be obtained from the Human Resources Office.

E-mail

Important announcements are regularly disseminated across campus by electronic means. It is incumbent upon you to check your email on a regular basis to be kept abreast of important information. When you are going to be out of your office for an extended period of time you should turn on your out-of-the-office function so the sender will know that you did not immediately receive the message. Always remember that campus e-mail is on the College server and as such is subject to the computer use guidelines and may be monitored at the discretion of FGC.

V. EMPLOYEE HEALTH AND SAFETY

The College strives to provide safe working conditions for our employees. The College observes the safety laws of the governments within whose jurisdictions we operate. Safety is every employee's responsibility, and all employees are expected to do everything reasonable and necessary to keep the College a safe place to work.

Accident or Injury

No matter how insignificant an on-the-job injury may seem when it occurs, notify your supervisor or the Human Resources Executive Director immediately.

College Closing (Weather or other Emergency)

If the College President deems it necessary to close the the College for weather or other reasons, administrators and department heads will be notified to activate the College's "telephone trees" that should be in each department. Area radio and television stations are notified and you are encouraged to monitor these stations for information. A complete list and emergency phone numbers appears in the College schedule and the Emergency Cardex... The message on the College switchboard will be modified, if possible, to announce the closing. If in doubt, you may call the College Supervisor of Safety and Security at ext.4428.

Fire or Other Disaster

Florida Gateway College has an emergency procedure to follow in the event of fire or disaster. Exits, fire extinguishers and first aid kits are located throughout the College. Exits and areas around fire extinguishers must be kept clear at all times. Be familiar with the college emergency cardex information.

Life-Threatening Illnesses

The College is committed to providing equal opportunity, as required by law, to all employees, including those that have life-threatening illness (cancer, AIDS, cardio-pulmonary diseases, etc.). The College is also committed to providing a safe work environment that meets or exceeds state and federal regulations. Consequently, employees who have a life threatening illness will be treated like other employees as long as they meet performance standards and medical and other evidence indicates that their condition is not a threat to themselves or others.

The College believes all information regarding an employee with a life-threatening illness must remain private and confidential. The College asks all employees to treat employees that have a life-threatening illness with compassion and understanding.

VI. STANDARDS OF CONDUCT AND CORRECTIVE ACTION

Groups of people who are working together for any purpose require certain guidelines pertaining to their conduct and relationships. Accordingly, our employees must be aware of their responsibilities to the College and to co-workers.

We strive to take a constructive approach to disciplinary matters to ensure that actions which would interfere with operations or an employee's position are not continued.

Violation of our standards will result in one of the following forms of corrective action: Discharge, suspension, oral warning or written warning. In arriving at a decision for proper action, the following will be considered:

- The seriousness of the infraction
- The past record of the employee
- The circumstances surrounding the matter

Although there is no way to identify every possible violation of standards of conduct, the following is a partial list of infractions which will result in corrective action or dismissal:

- Falsifying employment application, timecard, or personnel or other College documents or records
- Unauthorized possession of College or personal property, gambling, carrying weapons or explosives, or violating criminal laws on College premises
- Fighting, throwing things, horseplay, practical jokes or other disorderly conduct which may endanger the well-being of any employee on College premises
- Engaging in acts of dishonesty, fraud, theft or sabotage
- Threatening, intimidating, coercing, using abusive or vulgar language, or interfering with the performance of other employees
- Neglecting one's work or interfering with the work of another employee
- Insubordination or refusal to comply with instructions or failure to perform reasonable duties which are assigned
- Unauthorized use of College material, time, equipment or property
- Damaging or destroying College property due to careless or willful acts
- Conduct which the College feels reflects adversely on the employee or College, and which is not legally privileged or protected
- Performance which, in the College's opinion, does not meet the requirements of the position

Engaging in such other practices as the College determines may be inconsistent with the ordinary and reasonable rules of conduct necessary to the welfare of the College, its employees, or clients

Negligence in observing fire prevention and safety rules

Other circumstances for which the College feels that corrective action is warranted

This list is intended to be representative of the type of activities which may result in disciplinary action.

Absence Without Notice

For us to operate our College effectively, we ask that you keep us informed of your status when you are off work because of illness or accident from any cause. All absences of employees from duty must be covered by duly authorized and granted leave, and be accurately recorded and reported. Employees willfully absent from duty without leave shall forfeit compensation for the time of such absence and be subject to discharge and forfeiture of tenure and all other rights and privileges as provided by law. If employees who have been granted leave fail to return to duty at the termination of leave, their employment shall be subject to cancellation by the Board.

Alcohol and Drugs

The College recognizes that alcohol and drug abuse in the work place has become a major concern. The College believes that by reducing drug and alcohol use we will improve the safety, health and productivity of employees. The object of the College's alcohol and drug policy is to provide a safe and healthy workplace for all employees, to comply with Federal and State health and safety regulations, and to prevent accidents.

The use, possession, sale, transfer, purchase or being under the influence of intoxicating liquor, illegal drugs or other intoxicants by employees at any time on College premises or while on College business is prohibited. The illegal use of any drug, narcotic or controlled substance is prohibited. Employees must not report for duty or be on College property while under the influence of, or have in their possession while on College property, any intoxicating liquor, marijuana or illegally obtained drug, narcotic or other illegal substance. (Board policy 6Hx12:10-09)

Attendance Standards

Punctuality and regular attendance are essential to the proper operation of the College. These also help you to establish a good working reputation and add to your opportunity for advancement.

If you are unable to report for any reason, if you will arrive late, or must leave early, notify your supervisor or designee, or, if unavailable, his/her direct supervisor, within the first 30 minutes of the work day. You may also notify the Human Resources Office should you fail to reach your supervisor.

We reserve the right to require a physician's release when an employee returns to work following a disability.

Changes in Handbook

This handbook is intended to provide general information allowing you to familiarize yourself with employment conditions and rules at Florida Gateway College. It is by no means intended to be legalistic or exhaustive. It may be changed in any manner at anytime, and does not constitute a contract of employment.

Conflict of Interest

The College expects its employees to conduct business according to the highest ethical standards of conduct. Employees are expected to devote their best efforts to the interests of the College and the conduct of its affairs.

Business dealings that represent, or appear to represent, a conflict between the interests of the College and an employee are unacceptable. The College recognizes the right of employees to engage in activities outside of their employment which are of a private nature and unrelated to our business. However, a policy of full disclosure must be followed to assess and prevent potential conflicts of interest from arising. Contact your supervisor or the Human Resources Office if you have questions regarding a possible conflict of interest or outside work. See Board Policy 6Hx12:6-12.

Dress and Appearance

Employees are expected to maintain an appropriate appearance which is business-like, neat and clean, as determined by the requirements of the work area. Dress and appearance should not be offensive to visitors to our campus or other employees. Appropriate appearance includes:

Attire – Generally, clean, pressed, appropriate business attire

Hair – Clean, combed and neat. Shaggy, unkempt hair (including facial) is not acceptable

Personal Hygiene – Good personal hygiene habits must be maintained

Harassment, Including Sexual Harassment

The College is interested in human dignity and protection of its employees and is particularly concerned about the possibility of undue employee harassment, whether sexual, racial, ethnic or other type. Undue harassment in any form – verbal, physical or visual – is strictly against College policy and will result in corrective action. Defining sexual harassment precisely is not easy but it certainly includes slurs, threats, derogatory comments, unwelcome jokes, exposure to sexually oriented literature or pictures, teasing or sexual advances, and other similar verbal or physical conduct. If you believe you have been the victim of harassment, or know of one who has, report it immediately to your supervisor, and/or the Human Resources Executive Director at ext. 4313. Board Policy 6Hx12:6-23 outlines the College sexual harassment policy and procedure.

Smoking, Tobacco Use.

Smoking is prohibited inside any building on campus, on covered porches or covered areas attached to covered porches, in hallways/corridors, or within 25 feet of any exterior door.

The college has designated smoking areas on campus which include:

1. The gazebo east of building 103
2. The gazebo north of building 14
3. Anywhere in an open-air area at least 25 feet from any sidewalk, building, or areas where students assemble prior to entering a building.

Cigarette butts should be disposed of properly by using conveniently placed ashtrays. Failure to do so will be considered littering.

Violation of the policy will result in warnings and/or fines.

Solicitation and Distribution

Soliciting by one employee of another employee, or collecting from one employee by another, for any purpose, resulting in neglect of work or interference with work of another is prohibited. Distributing literature and circulating petitions during work time or in work areas at any time is also prohibited

to the maximum extent authorized by law. Trespassing, soliciting or distributing literature by non- employees is prohibited on College premises.

Telephone Use

College phones are to be used for business purposes to serve the interests of our College operations. Answer all calls promptly and courteously. On occasion, personal calls may be necessary, but we ask your cooperation in limiting them to emergencies or essential personal business and in keeping them brief. No personal long distance calls are permitted at the College's expense.

VII. FACULTY MATTERS

Hours on Campus

Faculty members are expected to be on campus to teach students and to be available to them for assistance and counseling. There are also other matters which must be cared for on campus; therefore, faculty members are expected to spend at least twenty-five (25) or thirty-three (33) hours per week, depending on work schedule selected, on campus or on authorized temporary duty assignment.

All full-time instructors are to be available for:

- Required class time
- Required clinicals (health related courses)
- Office hours
- Faculty meetings as called
- Committee meetings
- Attendance at College-related functions as required
- Academic advising
- Student recruitment

Part-time instructors are to be available for:

- Required in-class time
- 30 minutes per 3-hour credit course (or its equivalent)
- office hours per week

All faculty members must file a copy of his or her on-campus schedule and faculty load report with the department head and post a schedule on the faculty member's office door.

If you must leave work early for any reason, notify your supervisor.

Faculty Contracts

Only faculty members not on continuing contract will be issued a contract for employment annually. Generally the probationary period for faculty is three (3) years. The standard academic load for faculty member contracts is fifteen (15) credit hours or eighteen (18) credit hours depending on work schedule selected, or equivalent, for degree programs and twenty-four (24) to thirty (30) contact hours for non-degree programs.

Faculty Rank

Academic rank has no relationship to the establishment of instructional salaries, nor are any quotas established. All non-tenured faculty will be classified as assistant professor. Tenured faculty will be classified as associate professor or professor. All adjunct faculty will be classified as instructors.

Tenure (Continuing Contract)

A faculty member who has served at the College for five (5) full years in the capacity of a full-time instructor may be eligible for tenure. The granting of tenure and continuing contract status is contingent upon performance and the recommendation of the Vice President.

ACADEMIC INFORMATION

Academic Freedom

Florida Gateway College supports its faculty members in their freedom to search for and disseminate truth. Academic freedom carries with it responsibilities and duties correlative with rights; such as: accuracy, appropriate restraint, and respect for the opinion of others. Academic freedom must be exercised within the framework of responsibility and the ethical commitment to which the College subscribes. The principles of academic freedom include:

1. The right of each student to pursue and acquire knowledge in an atmosphere of free inquiry.
2. The right of each faculty member to pursue, acquire, and disseminate knowledge in the faculty member's academic area (or related academic areas) in an atmosphere of free inquiry.
3. The right of members of the academic community

to pursue learning free from disruption with due process for all concerned.

Class Cancellations

From time to time the administration may determine that classes do not have sufficient enrollment and may be canceled.

Class Rosters

All faculty members will print from Banner the Preliminary and Official Class Rosters for each class taught. The supervisor will ensure that faculty members print the Preliminary Roster the morning of the first class meeting. If there is any student in your class that is not on the class roster, he or she should contact the Registrar's Office.

Revised Rosters and Official Rosters indicate students who have paid or legally deferred their fees and are considered to be officially enrolled at the College. Faculty will be provided with a revised class roster and should check each Revised Class Roster and circle the name of any student who **has never attended**. The Revised Rosters should be signed by the faculty member and returned to the appropriate office by the designated due date. These rosters will be sent to the Registrar and the students circled as never attending will be dropped.

For minimester courses that start before or after the first day of classes for a semester, the instructor should print the class roster from the official roster in Banner on the first day of class. This should be used as the revised roster to verify enrollment and report students who have never attended following the process set out above.

Once Revised Rosters are submitted to the Registrar, any corrections should be submitted by the faculty member to the supervisor. If approved, the vice president will send the official notification to the Registrar's Office. It is only upon receipt of the approval of the vice president that the Registrar's Office will process corrections.

All instructors will print the official class rosters on the date established by the vice presidents (after notification that all

revised rosters have been processed by the Registrar's Office). The official rosters should be accurate and any errors should be resolved immediately.

Should instructors have any questions about class rosters or the monitoring of student attendance, please contact your immediate supervisor.

Course Syllabus

Faculty shall prepare a syllabus for each class taught. Included in the syllabus will be a brief description of all required assignments, approximate value of each assignment in the course grade, instructor's attendance policy, instructor's grading scale, the academic honesty statement, the reasonable accommodation's statement, and the library orientation statement for Gordon Writing Rule courses. A copy of the syllabus must be given to each student at the first class meeting. See the Faculty Handbook for syllabus requirements.

Faculty Meetings

Instructional personnel are expected to be present for established faculty meetings as part of their regular duties unless they have a scheduled class or are absent on College business.

Final Examinations

Each faculty member who teaches a college credit course shall administer a final examination during the examination time set aside by the College. At the faculty member's discretion, in conjunction with division policy, he/she may provide other appropriate instructional activity during the specified time, and in lieu of a final examination, or may continue instruction during the scheduled final exam period.

Intellectual Property

Florida Gateway College subscribes to the belief that intellectual property rights should be respected and honored, and fair and appropriate use of published materials is both a legal and an ethical obligation that all members of the College community should observe. FGC Board Policy 6Hx12:04-14 addresses in detail intellectual property rights.

Ordering Textbooks

The Campus Bookstore, located in the Student Union Building handles the ordering of textbooks through the division offices. Faculty may borrow a copy of the text from the bookstore with the understanding that, after obtaining a copy from the publisher, the bookstore copy will be returned in “new book” condition. Cooperation in working with the bookstore manager and utilizing text books in stock before changing textbooks is requested.

The College has a Textbook Committee whose purpose is to review textbooks used in courses taught in each discipline to ensure that the adoption of textbooks conforms to current State guidelines as prescribed by the State Board of Education. There may be an exception where the selection of a textbook will be mandated by external requirements (i.e. specific textbooks for required State programs).
