

Residence Life Handbook

Your guide to living on campus at Florida Gateway College

2023-2024

Welcome

Welcome to your on-campus living and learning experience at Florida Gateway College! We want your experience on campus to be positive, fun, and engaging, so we have intentionally crafted this living/learning environment to be interactive and transformative for you. However, as the old saying goes, “you get what you put into things.” Hence, we sincerely hope you make the most of this new beginning by challenging yourself to meet and befriend new people, getting involved on campus, and achieving your goal of earning a certificate or degree from FGC.

This handbook is intended to be your guide for living on campus. It includes guidelines and regulations for all FGC students that reside in the residence life wings of Building 22, Granger Hall. It is not comprehensive so if you have questions, please ask our Residence Life staff.

We are here to help you have a great learning experience, so don’t hesitate to ask your Director of Student Life (Ms. Amy), Residence Life Supervisor (Rylie O’Quinn), or your RAs for help along the way. We’ve all been there, so no question or idea is too simple or silly. If you have a question, most likely your fellow floor mates have them too! If you have a program or activity idea, we want to hear them!

Welcome to Florida Gateway College and Granger Hall. May this year be the best year ever!
